Feida 350 water well drilling rig parameters

FY580 water well drilling rig features: 1. FY580 series water well drilling rig adopts full hydraulic control, the top drive drives the drilling tool to rotate, and the ...

Product Parameters FY 350 crawler water well drilling rig The weight (T) 8.6 Drill pipe diameter (mm) ?89 ?102 The hole diameter (mm) 140-325 Drill pipe length (m) 1.5m 2.0m 3.0m 6.0m ...

Company Introduction:Mengyin Feida Mining Engineering Machinery Co., Ltd. is one of the largest manufacturers of water well drilling rigs and down-the-hole drilling rigs in Shandong Province, ...

Feida Mining Machinery Co., Ltd. has been researching and producing water well drilling rig, DTH drilling rig and supporting equipment for 20 years.FY series products have the characteristics ...

Feature: 1. The FYC series multi-functional vehicle-mounted water well rock drill is a new, efficient and multi-functional fully hydraulic rock drill. It ...

Feida Mining Machinery Co., Ltd. has been researching and producing water well drilling rig, DTH drilling rig and supporting equipment for 20 years.FY series ...

The portable drilling rigs are not only designed for water, they can also be used in all conditions based on pore-forming purpose. This series of water well drilling machine has the ...

1. why should you buy from us not from other suppliers? Feida Mining Machinery Co., Ltd. has been researching and producing water well drilling rig, DTH drilling rig and ...

Feida Mining Machinery Co., Ltd. has been researching and producing water well drilling rig, DTH drilling rig and supporting equipment for ...

Independently developed a new generation of FY series water well drilling rigs and won multiple national patents. This series of products has the characteristics of standardized configuration, ...

FY series (180, 200,260,280, 300, 350, 400, 500, 600, 800 and other models of rotary full hydraulic controlled water well drilling rigs are multifunctional, it can be used with air ...

Feida Mining Machinery Co., Ltd. has been researching and producing water well drilling rig, DTH drilling rig and supporting equipment for 20 years.FY series products have the ...

Feida 350 water well drilling rig parameters

Company Introduction:Mengyin Feida Mining Engineering Machinery Co., Ltd. is one of the largest manufacturers of water well drilling rigs and down-the-hole ...

1. why should you buy from us not from other suppliers?Feida Mining Machinery Co., Ltd. has been researching and producing water well drilling rig, DTH drilling rig and ...

1. Agriculture and rural water supply Application characteristics: To solve the demand for farmland irrigation and rural domestic water in arid areas, it is necessary to penetrate different ...

Feature: 1. The FYC series multi-functional vehicle-mounted water well rock drill is a new, efficient and multi-functional fully hydraulic rock drill. It is mainly used for drilling water ...

Company Introduction Trade Capacity Production Capacity Mengyin Feida Mining Engineering Machinery Co., Ltd. is one of the largest manufacturers of water well drilling rigs and down-the ...

FY350 Water Well Drill Machine The FY350 water well drilling rig is a powerful, crawler-mounted machine designed for drilling depths up to 350 meters. Developed by Feida, it is equipped with ...

drill pipe diameter (mm):89 102;the hole diameter (mm):140-325;drill pipe length (M):1.5 2.0 3.0 6.0;one-time advance length (m):6.6;walking speed (km/h):2.5;equipped ...

Product Description FY series(180, 200,260,280, 300, 350, 400, 500, 600, 800 and other models of rotary full hydraulic controlled water well drilling rigs are ...

When the environment gets tough, the Feida Water Well Drilling Rig gets tougher. Engineered for extreme conditions, it delivers stable performance, consistent drilling results, ...

Mengyin Feida Mine Engineering Machinery Co., Ltd.. is located in Linyi City, Shandong Province.Mengyin Feida Mining Engineering Machinery Co., Ltd. is the largest manufacturer of ...
