

100 Kaishan brand down-the-hole drill rig

The KG590 down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder engine (China ...

The KT5C automatic dth drilling rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor system, it is capable of drilling vertical, ...

The KT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes. mainly used for open-pit mine, stonework blast holes and pre-splitting holes is driven ...

The KT10 integrated down the hole drill rig is driven by the Cummins China stage III diesel engine and the two-terminal output can drive the screw compression system and hydraulic ...

KAISHAN KT11 Integrated Down the hole Drill Rig offers high efficiency and reliability for mining projects. With a drilling diameter of 100mm and a depth of 25m, it is perfect for various industries.

Down The Hole Drill Rigs Kaishan Group Co., Ltd. is a well-equipped company with strong technical force, specialized in Water Well Drilling Rig, Screw air compressor, Surface Drill ...

The KT20 integrated down the hole drill rig for open use is a new drilling device developed by our company after years of development and production of down the hole drill rig to meet the ...

Are you wondering which kind of drilling rig and compressor are the best choices? Maybe you can find the answer in KAISHAN Group. We are the biggest air ...

The KT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes. mainly used for open-pit mine, stonework ...

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

The KT6C Integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compression system, typical of compact ...

The KG420/KG420H drill rig is a hydraulic, diesel powered, self-propelled down the hole rig, designed for open use drilling operations. Equipped with a Yuchai four-cylinder engine, the drill ...

"Kaishan brand" down-the-hole drilling rig series products are innovatively designed according to

100 Kaishan brand down-the-hole drill rig

the characteristics of Chinese mines, with novel structures, high efficiency, and energy saving.

Brief info: Kaishan brand KG9 Integrated Down the hole Drill Rig for mining, US \$ 95,000 - 120,000 / Set, New, 1 year, Video technical support, Online support, Field maintenance and ...

KT12 Integrated Down the hole Drill Rig The KT12 integrated down the hole drill rig is driven by a Cummins China stage III diesel engine and the two-terminal output can drive the screw ...

KAISHAN provides a full range of drilling rigs designed for different applications in the mining, tunneling, and other infrastructure industries. Our product line ...

The KG520/KG520H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions.

Are you wondering which kind of drilling rig and compressor are the best choices? Maybe you can find the answer in KAISHAN Group. We are the biggest air compressor and drilling equipment ...

KSQ31-KQG-115 Down-the-hole Mining Drilling Rig is a new, efficient and professional down hole drilling rig developed by our company on the basis many years" development of DTH drilling ...

KT15C Brand Kaishan Down The Hole Hammer Blast Hole Drill Rig Price for Open Use dth drill rig KT15C integrated open pit drilling car can drill vertical, inclined and horizontal holes, mainly ...

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors. The drill rig features a folding frame track and ...

The KT12 integrated down the hole drill rig for open use can drill ing vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes. ...

Categories: All Products, Kaishan Drilling Rigs Description: The "Kaishan" brand KT5C/KT7C/KT9C integral DTH mine drilling rig is designed for:Open-pit mining Quarry ...

Our KT5C Integrated down the hole drill rig for open use is an advanced drilling device with an integrated screw air compressor system. The equipment is compact in structure and mobile ...

Find kaishan brand down hole drill rig from wholesalers in China. Shop for mine drilling rig from Alibaba and enjoy favorable price points for ground excavators.

Categories: All Products, Kaishan Drilling Rigs, Rock Drilling Tools Description: The KT11 integrated surface DTH drilling rig utilizes a single Cummins three-cylinder diesel engine with ...

100 Kaishan brand down-the-hole drill rig

The KG590/KG590H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder engine ...

Kaishan Brand Kt7c Down The Hole Drill Rig Machinery Low Oil Consumption For Sale, Find Complete Details about Kaishan Brand Kt7c Down The Hole Drill Rig Machinery Low Oil ...

KSQ31-KQG-115 Down-the-hole Mining Drilling Rig is a new, efficient and professional down hole drilling rig developed by our company on the basis ...

This type of KY100/KG910B DTH drilling rig is mainly suitable for mining, water conservancy, power plants, road building and other rock blasting whole drilling.

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw ...
