

15kw down-the-hole drill rig

FlexiROC D65 is a down-the-hole drill (DTH) rig well suited to large-scale production work; pre-split operations; reverse circulation (RC), in-pit grade ...

Leopard DI550 diesel-powered, down-the-hole (DTH) drill has excellent mobility, a smaller footprint and the ability to serve multiple sites. It is a machine trusted ...

PowerROC D60, a hydraulic down-the-hole drill rig, perfectly meets the needs of open-pit mines and quarries when it comes to drilling big holes. With the well ...

The Sandvik Leopard DI550 is the first representative of the new advanced Sandvik down-the-hole drilling rig generation standing clearly out from the ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH ...

Self-propelled drilling rigs with movable drilling mounts for vertical, inclined and horizontal drilling. Different drill heads for different drilling techniques.

Kaishan KT15 blast hole drilling machine is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

For efficient Down-The-Hole (DTH) drilling, you need high performing drilling tools. Tools that increase your productivity and sustainability, while reducing your total operation cost and ...

Customized products, please inquire before placing an order. ZGYX-420A/B/D Surface Down The Hole Drill Rig Product Features Power pack, Yuchai 4 cylinder engine YC4D80 or 30 kw ...

The document provides a technical specification for the Leopard DI550 T3 surface drill. It details the key features of the drill including its hole diameter range, drill ...

The ZT44 is a down-the-hole surface drill rig designed for mining -duty applications. It offers high reliability and production with purpose-built structures, a high horsepower engine ...

The KT15C integrated down the hole drilling rig is more heavy then KT15 model, which is lower revolving rotating speed of gyrator 100rpm/min, and with feed stroke 4580mm/5580mm for ...

Kaishan KT15 integrated open-pit down-the-hole drilling rig is a new type of drilling equipment designed by

15kw down-the-hole drill rig

our company for the needs of large open-pit mines on the basis of years of ...

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine,stonework blast holes and pre-splitting holes. It ...

As a manufacturer of DTH drilling rigs, we provide this KT15C integrated down-the-hole drill rig for open use. It can drill vertical, inclined and horizontal holes, ...

Kaishan KT15 298 KW 35m Depth Integrated Down the Hole Blast Drill Rig 35M Drilling Rigs With Air Compressor for Sale No reviews yet Zhengzhou Kaishan Mechanical & Electrical ...

A down-the-hole drill, usually called DTH Drilling Rig, is basically a mini jackhammer screwed on the bottom of a drill string. The speedy hammer ...

Leopard(TM) DI560 is a highly mobile, compact, diesel-powered down-the-hole (DTH) drill designed for DTH blasthole drilling in mining, quarry and construction industries. Features include a self ...

FlexiROC D65 is a down-the-hole drill (DTH) rig well suited to large-scale production work; pre-split operations; reverse circulation (RC), in-pit grade control for in surface mining operations; ...

ZEGA TOP-HAMMER AND DOWN-THE-HOLE DRILL RIGS Introducing the ZEGA Drill Rig, the pinnacle of efficiency and precision in drilling technology. ...

KQTG-150 Down-The-Hole drilling drig offers excellent fuel efficiency, improved safety and higher productivity in challenging rock conditions, which is used for ...

Down-the-hole drilling (DTH) essentially involves a drilling hammer at the bottom of a drill string. It relies on three elements for drilling holes: bit loading (weight), rotation and air. These active ...

Intelligent, automated and future-proof The SmartROC D65 down-the-hole drill rig brings the future of mining within your reach today. Give your operation the chance to profit from the ...

Down-the-hole D460A drill rig: handles 115-152mm holes up to 35m deep, with a Cummins engine, heavy-duty boom, and hydraulic feed. Includes a 2000 ...

DL long-hole drilling rigs are a kind of mining hydraulic drilling rig in underground mines project. Our production drill rig is mainly used for drilling blast holes of ...

The reason customer want to drill the hole is that drill and blast is the most efficient and economic way to break rock instead of excavating it. ...

15kw down-the-hole drill rig

Down-the-hole drilling rigs | Choosing the right drilling rig You could need a drilling rig for a multitude of applications, for example to drill a well to access a ...
