

280 Water Well Drilling Rig

1. why should you buy from us not from other suppliers? Feida Mining Machinery Co., Ltd. has been researching and producing water well drilling rig, DTH drilling rig and supporting ...

Xuwei 280 Bit Type Diamond Bit Drilling Way Compound Type Four-Wheel trailer Foam Pump 14.5m³/Min Rig Lifting Force (T) 17 Air Consumption 17-31 Swing Speed (Rpm) 4500-6000 ...

XCMG 500m water well drilling rig XSL5/280 China truck mounted deep rig machine. XSL series deep water well drilling rig uses full hydraulic control and the top drive to drive the rotation of ...

XSC Series Water Well Drilling Rig XSC5/280 It's applicable for water, underground heat well, monitoring well, concreting hole of foundation work, anchoring, etc.

US \$1,919.16 60% off US \$4,797.90 Tax excluded, add at checkout if applicable Color: YG-280 YG-280 Customer Reviews Specifications Description Store More to love

FY-280 multifunctional crawler well drill is a new, highly-effective, energy-saving and multifunctional hydraulic drill and it is specialized in drilling well, monitoring well, geothermal air ...

This JDL-280 is mechanical transmission top drive drilling rig. used to drill 280m depth, 300mm max for exploration, water well.

SW-280C mobile water well drilling rig is top head driving, both mud pump drilling and air compressor drilling, mainly used for well drilling, hydrology wells, civil ...

YG series water well drilling rig suitable for drilling wells, agricultural irrigation wells, and other wells. Multifunctional drilling rig.

Reasonable overall layout uses the tractor-mounted or all terrain chassis for transportation with good maneuverability. Very flexible in difficult roads, it can be widely used in many fields such ...

KW280 water well rig is one of KAISHAN's hot-sale products and has been widely recognized by our customers. In actual drilling test, it demonstrates a drilling diameter of 140mm and a depth ...

JDL-280 mud/air drilling rig is a water well drilling rig that mix mud drilling rig and air drilling rig in one equipment with mechanical top head. It is a good solution to the difficulty of drilling in the ...

Specializing in water well drilling rigs, environmental sampling rigs, exploration rigs, and pneumatic drilling

280 Water Well Drilling Rig

rigs, we are a driving force in industry innovation and evolution. With a ...

Xuwei relies on technological innovation, continuously develops various new practical mechanical equipment based on market development and customer needs. Our current main products ...

JDL-280 mechanical top drive drilling rig is a drilling equipment independently developed by the company that integrates the functions of water drilling and pneumatic drilling. The drilling rig ...

Buy low priced Water Well Drilling Rig from Water Well Drilling Rig factory, We provide good quality Water Well Drilling Rig from China..

UY280 Water Well Drilling Rig Deep (water) well-drilling rig uses full hydraulic control, and the Top drive to drive the rotation of drilling tools with very high drilling efficiency. A reasonable overall ...

The YDL-280 series water well drilling rig, including both the YDL-280D (electric motor) and YDL-280C (diesel engine) variants, is a state-of-the-art hydraulic crawler drilling rig engineered for ...

YDL-280 drilling rig is a mechanical top drive drilling equipment integrating water drilling and air drilling, which solves the difficulty of drilling with air DTH ...

The above is the YG-280 water well drilling rig purchased by Salim. It can drill a maximum depth of 100m and a maximum diameter of ...

JK-DR280 Water Well Drilling Rig-Shandong Jk Machinery Co., Ltd. was established in 2014. It is a one-stop diversified international trade comprehensive enterprise integrating R& D, ...

XCMG Official 12ton Water Well Drilling Rig XSL5/280. XSL series deep (water) well drilling rig uses full hydraulic control and the top drive to drive the rotation ...

JDL 280 water well drilling rig/machine offers high rotary speed, easy rock drilling, and efficient operation. Ideal for construction, farms, and mining.| Alibaba

Water Well Drill Rigs 280mCheap ZG280 Depth Drilling Rig Electric Rope Lock Lifting Tools 280 Meter Water Well Drilling Rig. Competitive price, high efficiency.| Alibaba

XSC5/280 Product FEATURE PARAMETERS CONSTRUCTION CASES Product FEATURE It's applicable for water,underground heat well,monitoring well,concreting hole of foundation ...

MW280 crawler water well drilling rig supports 280m depth, ideal for stable, mobile, and efficient deep water well drilling in tough conditions. Contact us for more detail!

280 Water Well Drilling Rig

Deep (water) well-drilling rig uses full hydraulic control, and the Top drive to drive the rotation of drilling tools with very high drilling efficiency. A reasonable overall layout uses the tractor ...

YK water well drilling rig is a light, efficient, multi-functional full hydraulic drilling rig has the characteristics of advanced structure, convenient use, standardized configuration, short ...
