

## A complete collection of accessories for large down-the-hole drill rigs

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH blasthole drilling in mining, quarry and ...

The DCRL130, from Furukawa FRD, is an environmentally friendly & compliant rock drill that is proven, reliable & high-performing while conforming to market ...

Powerful and Reliable Down The Hole (DTH) Drilling Solutions Drill King specializes in manufacturing top-quality drilling equipments and drilling tools, including a wide array of drilling ...

Ahead of the NGWA's Groundwater Week 2018, we sat down with Cody Green, product manager of water well drills at Epiroc, to discuss drill ...

Powerful and Reliable Down The Hole (DTH) Drilling Solutions Drill King specializes in manufacturing top-quality drilling equipments and drilling tools, ...

Drill Rigs Rotary Drill Rigs: Ideal for drilling large-diameter holes for open-pit mining. They operate by rotating a drill bit and applying downward pressure to break rock. Top ...

We have seen down-the-hole products being used in different applications all over the world. We can assist, not only with the complete drill string, but also with the knowledge to help our ...

Down - the - Hole Hammer Drill Rig ZEGA D470A is designed for tough rock drilling, it combines high - speed rotation and powerful hammer impact. Ideal for various mining and construction ...

D miningwell high wind pressure down hole drill bit has strong penetration, good stability and wear resistance, suitable for drilling operations in hard rock and ...

Watson offers a wide range of customizable hydraulic and mechanical drill rigs built rugged to provide years of proven field performance and maintain a high resale value.

Drill Rigs Rotary Drill Rigs: Ideal for drilling large-diameter holes for open-pit mining. They operate by rotating a drill bit and applying downward ...

Open-pit mining Surface down-the-hole drill rigs MWYX-420 separated DTH drilling rig is equipped with a dual-motor rotary head and a rotary speed-adjustable ...

## A complete collection of accessories for large down-the-hole drill rigs

A complete range of accessories for large diameter drill rigs, including kelly bars, CFA augers, drilling equipment and tools, designed to support the full spectrum of large diameter drilling ...

DESCO INC. was established to design and build full-hydraulic, long-stroke, top-head drive drill rigs in 1988. We manufacture a complete line of water well drill rigs, exploration drill rigs, multi ...

Discover the impact of Down the Hole Hammers (DTH hammers) in urban redevelopment projects. Learn how these specialized tools enable ...

7 Major Components Of A Rotary Drilling Rig System Rotary drilling machines are state-of-the-art drilling tools with complex machinery and design. For the sake ...

Anatomy of a Blast Hole Drill Rig: Key Components Explained While designs vary between manufacturers and applications, all blast hole drill ...

KQTG-150 Down-The-Hole drilling drig offers excellent fuel efficiency, improved safety and higher productivity in challenging rock conditions, which is used for ...

CENTER ROCK manufacturers a full line of air rock drilling tools and accessories including our Down-the-Hole (DTH) hammers and bits from 3.5" - 48" (89 ...

We're professional down the hole hammer drill rigs for mining (mines) manufacturers and suppliers in China, specialized in providing high quality products and service. We warmly ...

Down the Hole Drilling Tools - Since 1987, America West Drilling Supply company has earned a reputation as a world leader, producer, and supplier of ...

Ranging in size from small, limited access drilling rigs to large platform/big performance sonic drilling rigs, our drill rigs cover a range of applications.

Buy drill rig Considering buying a drill rig? In our product range you will find professional drill rigs suitable for different sizes of diamond drill bits and for various applications, such as drilling in ...

We have seen down-the-hole products being used in different applications all over the world. We can assist, not only with the complete drill string, but also with ...

Full hydraulic down-the-hole (DTH) drilling rig is a drilling rig for sale that uses oil pressure to drive and control all moving parts in the process of adjusting the drill rod's forward and backward angle.

OFFERING THE COMPLETE LINE OF MOBILE DRILL RIGS, PARTS AND TOOLING Rig Source, Inc.

## **A complete collection of accessories for large down-the-hole drill rigs**

offers a complete line of Mobile Drill rigs, parts, ...

The PRD BH 45 250 rotary blast hole drilling rig is a specialized drilling solution designed for drilling for blasting in large-scale mines. It drills holes with a diameter of 165 mm to 240 mm ...

Powerful two-speed hydraulic traveling mechanism, strong off-road capability, and large torque swing motor can easily deal with drill stuck;4. The two-stage dry dust collection device is ...
