

Accessories and prices for the 50-model small down-the-hole drill

What tools does drill King manufacture?

Drill King manufactures the widest range of high quality Down the hole (DTH) tooling. From hammers, bits, shock absorbers, hole openers to casing systems and (WAI) water hammers and hole openers. Comprehensive range of DTH rock drilling tools for any tough environment.

Why is DTH drilling more efficient than top hammer drilling?

DTH drilling is more efficient than top hammer drilling because it is performed using compressed air and a rotary percussion cutting action. This is one of the three methods of rock drilling, along with rotary drilling and top hammer drilling.

What are the best drill parts & attachments?

DEWALT, RotoScrub and Milescraft are among the most popular Drill Part & Attachment brands. While those brands are the most popular overall, you will also find a great assortment from WEN, Jacobs Chuck and Kobalt. How much do Drill Parts & Attachments cost?
