

Add winch crawler down-the-hole drilling rig

The flushing drill fluid rises inside the drill rod and brings the drill cuttings to the surface. This technique can be used for soil or rock drilling. Down-the-Hole ...

260m DTH Crawler Mounted Well Drilling Rig, HM-DU series is easy to move, which are designed to drill water cheaply, easily and highly efficient. The ...

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig is a powerful and versatile machine used in the ...

The crawler down the hole drilling rig is equipped with dual hydraulic motors, an all terrain rubber track chassis, and modular drill rod components, with a compact and exquisite overall ...

DESCRIPTION The rig is very compact with moderate dimensions and high technical specification. This permits the rig to be used for various applications: water wells, micro piles ...

Down-the-Hole (DTH) drilling is a technique used to create deep, precise holes in hard rock and challenging ground conditions. In this method, ...

SL500S crawler mounted water well drilling This drilling rig is equipped with a hydraulic system for lifting the drilling frame, picking up and unloading the drill ...

The GEO line includes a wide range of models installed on (steel or rubber) crawler tracks, ranging from lightweight and small footprint units ideally suited ...

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw ...

TECHNICAL SPECIFICATION Sandvik DR410i is a diesel-powered, self-propelled, crawler-mounted blasthole drill for surface mining. It is standard equipped for rotary with optional down ...

Crawler drilling rigs | Choosing the right drilling rig There are two main types of drilling rigs: autonomous crawlers and truck or trailer-mounted. You will need ...

Punch out power and pipe line projects with efficiency and performance of 31 series drill mast aligning all head and winch functions over the bore hole ...

Add winch crawler down-the-hole drilling rig

Punch out power and pipe line projects with efficiency and performance of 31 series drill mast aligning all head and winch functions over the bore hole combined with creature comforts of a ...

Leopard(TM) DI650i is an intelligent diesel-powered, self-contained, crawler-mounted down-the-hole drill rig built for demanding high-capacity production drilling applications in surface mining and ...

Down-the-hole drill DTH drill tool operated with drilling mud (Drillstar MUDHammer) A down-the-hole drill, usually called DTH by most professionals, is basically a jackhammer screwed on the ...

DESCRIPTION It is a very versatile drilling rig used for various applications: water wells (beyond 250 m), geothermal applications, geotechnics and seismic. The rig can be either crawler or ...

Find out all of the information about the Epiroc product: multifunction drilling rig AirROC D50. Contact a supplier or the parent company directly to get a quote ...

Anchor/Micropile drill rig: A machine (sometimes known as a crawler drill) for drilling in soil or rock utilizing either percussive, rotary or vibration principles (or a combination of principles) which ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include auger and down-the-hole rigs. ...

MAIN WINCH Mounting of main winch on mast minimizes coring drill rig's vibration. LINE WINCH Mounting of the line winch have 2000 mts capacity. Also equipped the line system. CRAWLER ...

New Crawler Drill Rig For the more challenging or deeper piles, Jordan Rail's new crawler drill rig has an impressive 90 KN-m of rotary torque, a maximum hole depth of 24m and is equipped ...

XDH-180 Crawler Mounted DTH Drill Rigs Manufacturers Brief Introduction The XDH-180 series crawler open-pit down-the-hole drill rig is a new type of down-the-hole drill ...

GL726 crawler down-the-hole drill carriage is mainly used for drilling blast holes in open-pit projects such as mining and quarrying, road construction, water ...

DESCRIPTION It is a very versatile drilling rig used for various applications: water wells (beyond 250 m), geothermal applications, geotechnics and seismic. The ...

400m DTH Crawler Mounted Well Drilling Rig, HM-DU series is easy to move, which are designed to drill water cheaply, easily and highly efficient. The maximum drilling depth is 400m, and hole ...

crawler Down the Hole Blasthole Surface Mining DTH Drilling Rig Description GL120YG-A High Air

Add winch crawler down-the-hole drilling rig

Pressure Drill Rig powered by diesel engine or electric ...
