

Anshun micro hydraulic down-the-hole drill rig rental

What kind of drilling rigs does hammer & steel offer?

Hammer & Steel offers daily, weekly, and monthly rentals of many respected lines of deep foundation drilling rigs such as rugged and dependable drill rigs. These drill rigs are ideal for applications including pile foundation drilling, dwell drilling, and ground release drilling, among others.

What types of drill rig rentals are available?

In our rental equipment inventory, we offer various types of drill rig rental options: coring rigs, exploration rigs, direct push rigs, geotechnical rigs, environmental rigs, truck haulers, and support equipment. A core drill rig is a specialized piece of equipment for core sampling.

What is a multi-purpose drilling rig?

A multi-purpose rig is a drilling rig that can be outfitted with a CFA Drill Head for applications like ground release drilling, dwell drilling, or pile foundation drilling. Alternatively, it can be equipped with a Dual Auger Casing Drive for drilling operations that are directly against adjacent structures or soil mix applications.

Do you offer low overhead drill rigs?

We offer low overhead models for limited access drilling, Kelly bar extensions, and rubber pads or steel tracks on all drill rigs. We understand the importance of efficient and safe operations. Every piece of equipment undergoes meticulous maintenance to ensure optimal performance on your next drilling project.
