

Atlas down-the-hole drill rig d5555

MAST AND SUBSTRUCTURE SWS 142" Triple Derrick 660,000 # SHL Capacity Racking Capacity 24,000" with 4" Drill Pipe or 18,000" with 5" Drill Pipe Pyramid Box on Box ...

The AirROC D35* is the smallest and most popular of our crawler mounted, Down-the-Hole drilling rigs. This robust pneumatic rig is self propelled, easy to operate and simple to maintain. ...

Intelligent, automated and future-proof The SmartROC D65 down-the-hole drill rig brings the future of mining within your reach today. Give your operation the chance to profit from the ...

PowerROC D55 is a hydraulic down-the-hole rig you can trust on to perform reliably, even in the most demanding mines and quarries. The PowerROC D55 is designed according to our ...

Leopard(TM) DI560 is a highly mobile, compact, diesel-powered down-the-hole (DTH) drill designed for DTH blasthole drilling in mining, quarry and ...

PowerROC D45 is equipped with an onboard Atlas Copco C146 compressor delivering 225 l/s of air up to a pressure of 17 bar for high ...

Atlas Downhole Technology rents and sells Atlas high performance drilling motors to the North American oil and gas market. Engineered to be the most powerful high performance drilling ...

Epiroc offers the most comprehensive line of rotary blast hole drilling rigs in the industry. With a multitude of configurations to choose from you can find the ...

Atlas Copco Construction Technique Surface Drilling Rigs Air ROC D40 (ROC 203 DTH) Surface down the hole rig Technical Specifications ... Download Brochure

FlexiROC D65 is a down-the-hole drill (DTH) rig well suited to large-scale production work; pre-split operations; reverse circulation (RC), in-pit grade control for in surface mining operations; ...

1.The Down-the-hole drill rig for soft and medium rock formations in quarries. High productivity by means of high pressure compressor in combination with the ...

"All the rigs in our SmartROC series represent intelligent innovation, and our newest SmartROC D50 and D55 rigs are no exceptions," relates Mattias ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint

Atlas down-the-hole drill rig d5555

and can serve multiple sites. Designed for DTH blasthole drilling in mining, quarry and ...

Search for used down the hole drilling rigs. Find Gefco, NOV, J& M, HengWang, Zhongtuo, Atlas-Copco, Sandvik, and Soosan for sale on Machinio.

Key equipment includes portable air compressors, pneumatic drilling rigs, and down-the-hole hammers. Mobile air compressors provide the necessary air pressure for drilling operations.

A smarter solution Atlas Copco's new ROC L8 is a high production down-the-hole crawler with ample power to de-liver high penetration rates and deep holes. It has a rod handling capacity ...

FlexiROC D50 is an equally versatile and efficient down-the-hole drill rig that keeps your production up and your costs down. Thanks to its flexibility and ...

Efficient versatility in quarries and mines Atlas Copco FlexiROC D50/D55 is equally at home in the quarry or the mine with its solid combination of versatility and efficiency. This is a go-anywhere ...

Blast Hole Drill Rig Surface DTH Drilling Machine B16 Recommended hole range:140-225mm JIEA B16 adheres to the leading technology and mature down the hole drilling method of ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH ...

In better shape than ever Since the first D-series rig was delivered in late 1999, its popularity has been impressive, and well above 1000 rigs have been delivered to satisfied customers all ...

This document provides specifications for down-the-hole drill string equipment from Secoroc for Atlas Copco mid-range blasthole drill rigs including the T4 BH, DM30, DM45, and DML. It ...

are matched to over-all rig capacity. The single motor worm-gear head is rugged and compact for down-the-hole (DTH/ DHD) drilling with air and foam. Its floating spindle absorbs drilling ...

Atlas Downhole Technology rents and sells Atlas high performance drilling motors to the North American oil and gas market. Engineered to be the most powerful ...

A down-the-hole drill, usually called DTH Drilling Rig, is basically a mini jackhammer screwed on the bottom of a drill string. The speedy hammer ...

PowerROC D55, a reliable Down-The-Hole drill rig, is equipped with a range of Atlas Copco Down-The-Hole hammers for high performance. It is applicable for mining, aggregate quarries ...

Atlas down-the-hole drill rig d5555

The reason customer want to drill the hole is that drill and blast is the most efficient and economic way to break rock instead of excavating it. ...

The PowerROC D55 can be equipped with a range of Atlas Copco down-the-hole hammers which are well known for their high performance in terms of speed and reliability. With high ...

Power and productivity ROC L625 and L630 are high-capacity down-the-hole crawler drills primarily designed for quarry blast hole drilling in virtually all types of rock formations for ...
