Get these exclusive online rates by renting through our website or app. For our full list of air compressors for rent, view the items below.

Does United Rentals offer air compressors?

United Rentals offers a variety of air compressors for your site. You can power up air tools or air up the tires on your ride-on equipment with this durable air compressor. This compressor is designed to be compliant with EPA regulations on diesel engines. Trust the United Rentals fleet of air compressors to meet the needs of your project.

What types of air compressor rentals are available?

Our selection of air compressor rentals includes electric, gas and diesel powered equipment with CFMs ranging from 3 to 1,800. Browse our selection here.

What is a compressed air lease?

Typically, compressed air installations are configured to cater your peak demands. When your compressed air demands fluctuates significantly (eg due to peaks, projects, seasonality...) you can consider a (partial) compressor lease. This limits the costs of ownership: depreciation, maintenance, downtime...

How do I find reliable air compressors for my project?

Find reliable air compressors for your projects with our extensive leasing options. Suitable for both portable and stationary applications that require high performance and durability.
