

China Jiang screw air compressor pressure

Is screw compressor China a good brand?

Screw Compressor China has provided us with a reliable and high-performing compressor that meets our high CFM requirements. Their customer service has been top-notch, and the compressor has been running smoothly since day one. We were looking for a compressor that was easy to operate and came with no hassle.

How oil injected screw air compressor works?

The oil-injected screw air compressor has the characteristics of reliable running performance, few wearing parts, low vibration, low noise, and high efficiency. During the compression process, the compressor continuously sprays lubricating oil into the compression chamber and bearings by virtue of its own pressure difference.
