

China dewatering well construction drilling rig manufacturer

Who is Jinfan drilling rig manufacturer?

JINFAN is China drilling rig manufacturer, offer hydraulic crawler drilling rig, anchor drill rig, water well drilling rig, core drilling rig, in addition to drilling tools such as DTH hammer, eccentric casing bit and wire-line core barrel.

What is crawler full hydraulic core drilling machine?

We cover segments from mining, HDD construction, water well and oil and gas energy. We have products, solutions and services for mining and construction. The Crawler Full Hydraulic Core Drilling Machine is a new type of drilling rig developed on the basis of the advanced technology of similar drilling rigs.

Who is sinocoredrill?

Our company is mainly engaged in the production of exploration drilling rigs, HDD machines and water well rigs with its tools and accessories. Sinocoredrill works with its customers in mineral exploration and HDD construction to provide high-quality drilling solutions that include diamond tools, drilling equipment, accessories and services.

What is a D mining well high wind pressure down hole drill bit?

D mining well high wind pressure down hole drill bit has strong penetration, good stability and wear resistance, suitable for drilling operations in hard rock and medium hard rock. They are mainly used in open pit mining, quarries, hydropower projects, drilling of water wells, and support of excavation side columns.

What is mw300g reverse circulation water well drilling?

MW300G reverse circulation water well drilling is a new type of multi-purpose, high-efficiency, environmentally friendly, multi-track type drilling rig, which adopts the latest foreign air-lift reverse circulation drilling technology, and the rock dust can be effectively collected by the dust collector to avoid environmental pollution.

What types of drilling rigs are available?

Our most popular products include a hydraulic anchor drill rig, hydraulic crawler drilling rig, water well drilling rig, core drilling rig, in addition to a variety of related drilling tools including our DTH hammer, pulling machine, eccentric casing bit and wire-line core barrel.

ABOUT HUANYU Guangzhou Huanyu Drilling Machinery Co., Ltd. was established in 1993 and is a professional manufacturer of: drilling rigs, household water well drilling rigs, deepwater well ...
