Who is the best rotary screw air compressor manufacturer in China?

If you are looking for a rotary screw air compressor manufacturer and supplier in China, Sollant Machinery is your best choice. Why Choose Sollant Air Compressor? We believe that quality, price and service are of most interest to you for choosing suitable rotary screw air compressor.

Is screw compressor China a good brand?

Screw Compressor China has provided us with a reliable and high-performing compressor that meets our high CFM requirements. Their customer service has been top-notch, and the compressor has been running smoothly since day one. We were looking for a compressor that was easy to operate and came with no hassle.

How often should a screw compressor be maintained?

The maintenance frequency for a screw compressor varies based on the model, usage, and environmental conditions. Generally, it's recommended to perform routine checks and maintenance every 2000 to 4000 operating hours. Regular maintenance includes checking and replacing the oil, oil filter, air filter, and separator elements.
