

## Complete range of diesel powered down-the-hole drill rig accessories

TAIYE 's DTH rig machine has high reliability, adaptability, and safety for extreme working environments. They are suitable for blasting perforation of soft rocks, ...

Down The Hole Hammer Drill Rigs for Mining, the ZEGA D470A's diesel-powered, down-the-hole (DTH) drill has excellent mobility, a smaller footprint and the ability to serve multiple sites. It is ...

Leopard(TM) DI560 is a highly mobile, compact, diesel-powered down-the-hole (DTH) drill designed for DTH blasthole drilling in mining, quarry and ...

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw ...

As one of the most professional crawler mounted drill rig manufacturers, TAIYE fully hydraulic down-the-hole drilling rigs cover a bore diameter of 90-255mm. The DTH drilling rig ...

DTH drilling, also known as Down-the-Hole drilling, is a method used to drill boreholes into the earth's surface. This technique involves a hammer that is located behind the drill bit and is ...

Whether you are involved in oil and gas, mining, or construction, our comprehensive range of products will meet your specific needs. Choose JK Drilling for quality, durability, and innovation ...

One-stop-shop - a total solution We offer a complete range of DTH drilling tools including hammers, bits, pipes, adapters, breakout benches and grinding ...

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework ...

Integrated Down The Hole Drill Rig (DTH Drill Rig) comes into being as the requirements for efficiency and intelligence in mining, foundation engineering and water well drilling operations ...

The single engine of the drilling rig drives the screw air compressor and hydraulic system at the same time, which reduces the total power of the diesel engine of the split drilling rig by about ...

Down the hole drilling rig is a specialized piece of equipment designed to drill deep holes into the earth's surface. DTH drilling utilizes a hammer mechanism that delivers powerful, rapid blows ...

## Complete range of diesel powered down-the-hole drill rig accessories

Leading Manufacturer of Down-the-Hole (DTH) Drilling Equipment for Mining, Construction & Water Wells. Premium products at fair prices. Get a Quote Today!

**SIMPLY BY CHANGING THE HAMMER** In open-pit mines around the world, large down-the-hole drill rigs are working nonstop 24/7. In this context, the new Tundo™ RH650 DTH hammer ...

DTH rig machine, down-the-hole drilling rig, is a powerhouse drilling tool designed for deep, accurate, and efficient boring in demanding environments. Ideal for mining exploration, quarry ...

**THE MUD MANAGER BY VERSA-DRILL** Compact mud system powered by the rig auxiliary hydraulics to replace your mud pit and shovel, increase rig life, reduce product loss and clean ...

This diesel screw air compressor portable compressor is specially developed for mine drilling rigs with high reliability, easy operation and maintenance, good power balance and easy ...

Intelligent, automated and future-proof The SmartROC D65 down-the-hole drill rig brings the future of mining within your reach today. Give your operation the chance to profit from the ...

Our intelligent surface drill rigs bring the latest technology to surface mining applications. Designed to work in the toughest operating conditions, our ...

As one of the most professional crawler mounted drill rig manufacturers, TAIYE fully hydraulic down-the-hole drilling rigs cover a bore diameter of 90-255mm. ...

The T450 Series rig has the latest hydraulic system offering reliable operation and improved spare parts availability. A deck-mounted diesel engine provides ...

KT series -diesel power crawler mounted DTH drilling rig ( with compressor) Features &#187; Diesel power, no cabin, with compressor + dust collector, &#187; Track Crawler mounted drilling rig ...

Pantera(TM) DP1600i is an intelligent, diesel-powered, self-propelled, crawler-based surface top hammer drill rig with a comfortable cabin and rod-changer. ...

on. Powered with a 70 HP diesel engine, it offers a wide range of accessories and options allowing operation with all drilling techniques including: rotary percussive drilling, down-the ...

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

Down-the-hole D460A drill rig: handles 115-152mm holes up to 35m deep, with a Cummins engine,

## Complete range of diesel powered down-the-hole drill rig accessories

heavy-duty boom, and hydraulic feed. Includes a 2000 ...

The KT12 integrated down the hole drill rig is driven by a Cummins China stage III diesel engine and the two-terminal output can drive the screw compression system and hydraulic ...

Drilltech international is a leading Drilling Product Suppliers, and provide best service Top Hammer, DTH Down The Hole And RC Hammers, Reverse ...

P.G Drilling Equipment and Accessories, have continued to manufacture and strive to better our already impressive range of Down the hole hammers, back ...
