

Crawler DTH Drilling Machine Air Compressor Accessories

SD-535 crawler DTH drilling rig is with built-in air compressor, no need prepare extra air compressor, convenient for drilling, Cummins engine, dust collecting system, multi angle ...

Leopard(TM) DI650i is an intelligent diesel-powered, self-contained, crawler-mounted down-the-hole drill rig built for demanding high-capacity production drilling applications in surface mining and ...

JK Drilling is a leading dth boring machine supplier, offering crawler mounted hydraulic down the hole drill rigs. Our rigs can drill holes ranging from 90-305mm in diameter and 18m-200m in ...

We provide professional air compressor for supporting DTH drilling rig, We are one of the world's largest DTH drilling rig supporters with dedicated and rich ...

At Compressor Parts Store, we specialize in providing a vast selection of over 10,000 OEM-quality compressor parts, filters, and accessories at affordable prices. Discover the perfect solution for ...

Crawler DTH Drilling Machine Main Performance Features: It adopts the Yuchai diesel engine, which is equipped with a clutch device and can be started ...

1. Product Features (1) Use a rationally designed and innovative crawler-type hydraulic down-the-hole drilling rig with a simple design, and it is used in conjunction with a two-stage screw-type ...

Designed for drilling through granite, hard-faced rock, quarry drilling, bench drilling, and drilling secondary holes for blasting. Key features of our rock drills ...

The hydraulic crawler drill is applicable to all kinds of open-pit mines, quarries and other high ladder slope pre-crack penetration engineering. This hydraulic ...

Built for use with all types of pneumatic air tools used in construction, mining, and heavy engineering industries. Rock Drill Spare Part Mindrill manufacture Rock ...

JK610 internal combustion (electric) crawler mounted hydraulic DTH drill rig, is the latest updated product of "Sharp Sword" series, featuring its better ...

JK830 integrated hydraulic DTH drilling rig is designed to drill large bore holes (138-235 mm). It features automation, high work efficiency, reliability and ...

Crawler DTH Drilling Machine Air Compressor Accessories

JK650 is an All-In-One DTH drilling rig, which brings you more automation, higher working efficiency, better reliability and simpler operation. JK650 is the integration of drilling rig and air ...

We never stop improving our R& D capability, and seize every opportunity to make our DTH Air Compressor Crawler Mounted Rock Drill for Drilling Mining Crawler Drilling Machine leading in ...

The air compressor provides compressed air for the crawler drilling machine. The operating system of the drilling rig is mostly controlled by pneumatics, and the ...

Mindrill YODHA90 crawler drill is a pneumatic crawler drill for drilling with a DTH hammer. It comes with two independent 5 HP propulsion air motors steered with a piston-driven rotary ...

KT9C Surface Pneumatic DTH Blast Hole Machine Air Compressor DTH Drilling Rigs KT9C/KT9D integrated open hole drilling machine is a drilling equipment ...

AirROC T25 and AirROC D40 are the crawler mounted pneumatic drilling rigs powered by air compressor. The rigs are kinds of efficient and cost effective drilling rigs designed for quarries, ...

As a professional air compressor supplier, we can select the drilling air compressor model and brand corresponding to the volumetric flow and ...

Typical applications for versatile Soosan crawler drills is construction works such as pipeline drilling, foundation drilling as well as small and medium size quarries and mines. Soosan ...

High Performance KG430 Crawler Blasting Drill Machine Rock Drilling Rig for Mining Kaishan KG430 25m blasting ground hole Quarry Rock DTH Mining ...

JK590BC crawler mounted hydraulic DTH drill rig has better performance than the previous generation: fully optimized structure, lower drilling footage cost, more ...

The DML is a crawler-mounted, hydraulic tophead-drive rig that's suitable for a variety of multi-pass rotary and DTH drilling applications. It's designed specifically for production blasthole ...

JK650 is an All-In-One DTH drilling rig, which brings you more automation, higher working efficiency, better reliability and simpler operation. JK650 is the ...

SDA-45 Integrated DTH Blast Hole Drill Rigs is with automatic rod change, built-in air compressor, one person operate, saving labour cost and saving time of ...

The YG150 DTH Drilling Machine can realize the medium and high wind pressure drilling operation of the

Crawler DTH Drilling Machine Air Compressor Accessories

drill rig and has high-cost performance. YG DTH Drill ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include auger and down-the-hole rigs. Typically these are mounted onto ...

Designed for drilling through granite, hard-faced rock, quarry drilling, bench drilling, and drilling secondary holes for blasting. Key features of our rock drills include minimal spare parts usage, ...

ZT10 228KW with air compressor integrated DTH drilling rig/crawler wagon drill Application The ZT10 integrated down the hole drill rig for open use is a drilling ...
