

Customized rock drill gear pin

Who is Gill Rock Drill Company?

Gill Rock Drill Company is a full service fabricating, machining, and assembly shop providing custom manufactured drill pipe, adapters, and drilling tools, as well as tool joint rethreading and repairs. We also provide engineering and technical services to custom design drilling tools to your specific needs.

How are our rock drill bits manufactured & approved?

All of our rock drill bits are manufactured and approved according to the strict standards that are set in place by the API and the IADC.

Do you manufacture pins in custom lengths & diameters?

Our state-of-the-art facility and technologically advanced pin manufacturing equipment enable us to produce pins in custom lengths and diameters. We custom manufacture pins with dual radius ends, a radius on one side, and a chamfer on the other, or dual chamfers.

What is ever ready pin?

To keep delivering the knock-out and specialty pin products and grinding services you need when you need them, Ever Ready Pin is continuously improving our operations and making smart investments in technology. This includes technology dedicated to quality assurance.
