

Customized screw air compressor factory price

Who makes screw compressors?

The screw compressor was also licensed to most of today's leading manufacturers of air compressors, such as Atlas-Copco, Ingersoll-Rand, GHH, Kobe-Steel, Aezen, Hitachi, Termomeccanica, Gardner-Denver, Tamrotor, Sullair and many others.

What is a screw air compressor?

As these screw air compressors are generally not equipped with any valves and have no mechanical forces that cause unbalance, these solutions can be extremely efficient for various applications. This is because a screw compressor works at a higher shaft speed and compresses a large volume of air with small exterior dimensions.

What types of air compressors does Originale puissance offer?

For the past many years, Originale Puissance specialized in supplying all kinds of Screw Rotary Air Compressors, power frequency type air compressors, frequency conversion type air compressors, permanent magnet frequency air compressor, low voltage and portable rotary screw air compressor, Centrifugal Air Compressor, etc.

What kind of air compressors are available?

We established a new factory to produce rotary screw air compressors, tank-mounted air compressors, portable air compressors, Centrifugal Air Compressors, Air Compressor for Laser Cutting Industry, Industrial Air Compressors.
