

D50 down-the-hole drill rig

2025 Epiroc Surface drill rigs FlexiROC D50 Product description FlexiROC D50 is an equally versatile and efficient down-the-hole drill rig that keeps your production up and your costs ...

The Epiroc FlexiROC D50 is a highly capable and adaptable down-the-hole (DTH) surface drill rig, engineered for exceptional performance across demanding applications. It is widely used in ...

Atlas copco dth AirRoc D45 rock drill rig for sale new Manufacturer: Atlas-Copco Model: AIRROC D45 For best price, plz kindly contact us! AirROC D45 is a down-the-hole drill rig capable to ...

PowerROC D60, a hydraulic down-the-hole drill rig, perfectly meets the needs of open-pit mines and quarries when it comes to drilling big holes. With the well ...

Sandvik D50KS tackles a range of surface mining applications and features effective pipe handling for shorter cycle times. It drills holes to a maximum ...

The FlexiROC D50 is a powerful and reliable surface drill rig designed specifically for demanding applications in mining and quarrying. Utilizing the down the hole DTH drilling method, it ...

Different Models of Down the Hole Drilling Rigs: YGD-70/100 DTH Drilling Rig YGD70/100 DTH drilling rig is a kind of compound power model, powered by a ...

AirROC T35 and D50 Tophammer and Down-The-Hole drill rigs 1 f The strength and agility of a pioneer. The AirROC T35 is a medium-sized Both these ...

Air capacity is the most important factor affecting down-the-hole performance. The engine and compressor in a SmartROC drill rig are controlled by an intelligent system which delivers more ...

Efficient versatility in quarries and mines Atlas Copco FlexiROC D50/D55 is equally at home in the quarry or the mine with its solid combination of versatility and efficiency. This is a go-anywhere ...

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig is a powerful and versatile machine used in the ...

FlexiROC D50 is an equally versatile and efficient down-the-hole drill rig that keeps your production up and your costs down. Thanks to its flexibility and ...

AirROC T35, D45 and D50 - Atlas CopcoQuick facts Options
 Main application:

D50 down-the-hole drill rig

Limestone quarries
 Surface mining
 Aggregate ...

Epiroc introduce upgraded versions of their SmartROC D50 and D55 down-the-hole drill rigs EPIROC are gearing up to present their new-generation SmartROC D50 and ...

AirROC D45 and AirROC D50 are down-the-hole drill rigs, that can work with ease on steep grades and the roughest of terrain. These machines are suitable for limestone, aggregate ...

The AirROC D50 is suitable for limestone, aggregate quarries, surface mining applications, and construction. The rig can be interchanged between down-the-hole and topammer drilling to ...

The FlexiROC D50 provides the optimum combination of air flow and air pressure which means high drilling economy and productivity. The rig is built on a proven platform which ensures ...

The SmartROC D50 possesses both intelligence and power. It excels in production drilling and auxiliary applications such as toe-hole drilling. This smart, rugged machine features automatic ...

The AirROC T35/ D45/ D50* are high-powered, Down-the-Hole pneumatic drill rigs with exceptional mobility and performance. Robust traction, a low center of gravity and easy ...

PowerROC D60, a hydraulic down-the-hole drill rig, perfectly meets the needs of open-pit mines and quarries when it comes to drilling big holes. With the well-proven Epiroc technology and ...

TAIYE Separated Hydraulic Down-the-hole Drilling Rigs is a very economical series of tractor mounted drilling machine. This series of tractor mounted rig have a wide range of applications ...

Surface drill rigs are used for blast hole drilling in construction, quarrying, and open-pit mining, covering a hole range between 27-229 mm. We offer the widest range of surface drilling ...

The AirROC D50 is a rugged drill rig which can navigate steep climbs and rough terrain with ease. The Atlas Copco air compressor ensures fast and efficient drilling. Servicing is quick and easy, ...

The D50KX rotary/DTH blasthole drill features digitally driven enhanced productivity with features like high-precision TIM3D GPS navigation and the ...

Pioneer strength and agility AirROC T35, the topammer medium size air drill rig, with its unique VL 140 pneumatic rock drill is the pathfinder opening new horizons of drill efficiency. AirROC ...

D50 down-the-hole drill rig
