

Diesel-electric down-the-hole drill rig price

dual-purpose

How does a down the hole drilling rig work?

The down the hole drilling rig uses electric energy as power, with low noise and strong power. The drilling speed is 3-8 times that of general rock drills, the rock hardness reaches 9 and the drilling depth is 8-16 meters per hour.

What are the different types of drilling rigs?

According to the power configuration of the drilling rig, it can be divided into diesel-powered down the hole drilling rig, diesel-electric dual-purpose down the hole drilling rig, electric down-the-hole drilling rig (need to be customized).

Who makes the best DTH drilling rigs?

As one of the most professional DTH drilling rig manufacturers, YG Machinery has developed and produced a series of down-the-hole drilling rigs of different models. And almost all have become hot-selling models. In addition, our down-the-hole drilling rigs are sold to many countries and regions in the world.

What are the different types of DTH drilling rigs?

According to the different hole diameters, it can be divided into light DTH drilling rig (with a hole diameter of 70-120mm), medium-size DTH drilling rig (with a hole diameter of 150mm), heavy-duty DTH drilling rig (with a hole diameter of 200mm), and extra heavy DTH drilling rig (the hole diameter is 250mm).

What is down-the-hole hammer drill rig?

The working principle of the down-the-hole hammer drill rig is the same as other rock drilling rigs. It has the process of rock drilling and hole formation such as impact, rotation, ballasting, and advancement, and it belongs to percussion rotary drilling.

What is down the hole drilling?

Therefore, they are called down the hole drilling. It is suitable for large-diameter blast hole drilling operations in small and medium-sized mines, road construction, water conservancy, and stone works, as well as for drilling bolt holes in slope support, tunnel support, and foundation pit support. The main drilling object is a rock formation.

Sandvik Leopard(TM) DI650i is an intelligent diesel-powered, self-contained, crawler-mounted down-the-hole drill rig built for demanding high-capacity production drilling applications in surface ...

Down the hole drilling machine is known as a portable drilling rig or tripod drilling rig. There is a variety of models for DTH drilling machines for sale in YG ...

Diesel-electric down-the-hole drill rig price

dual-purpose

Small down-the-hole drill rigs: small giants for efficient rock drilling Small in size and light in weight, this mini dth drilling machine is suitable for places where large and medium-sized ...

Powerful and Efficient: Powered by a reliable diesel engine, this water well drill rig delivers exceptional drilling efficiency in a variety of terrains, including challenging ...

KAISHAN High performance KT12 Kaishan DTH Diesel Crawler Down the Hole Blasting Mining Drill Rig for mine blasting hole KT12 integrated DTH drilling rig takes Cummins Guosan diesel ...

This drilling rig is equipped with both a diesel engine and an electric motor, featuring two independent power systems that can operate separately, providing strong adaptability for ...

Gradeability 35°; Drill pipe diameter 76/102 mm Drill pipe length 2m Rig lifting force 12 T Diesel engine power 35HP dual cylinder turbocharged engine Oil pump 40/40 dual pump Adapt to ...

Conventional drilling rigs use the power of an electric motor or a diesel engine, which is transmitted to the turntable through the operating ...

Our intelligent surface drill rigs bring the latest technology to surface mining applications. Designed to work in the toughest operating conditions, our ...

Conventional drilling rigs use the power of an electric motor or a diesel engine, which is transmitted to the turntable through the operating system to drive the drill bit ...

According to the hydraulic power configuration of the drilling rig machine, it can be divided into diesel, diesel, and electric dual-use and electric. If you are ...

Sandvik Leopard(TM) DI650i is an intelligent diesel-powered, self-contained, crawler-mounted down-the-hole drill rig built for demanding high-capacity ...

Powerful hydraulic system: Our dual-use water and gas water well drilling rigs are equipped with heavy-duty hydraulic motors with high efficiency and high torque performance, ...

Epiroc is one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...

Choose from a variety of ground hole sizes to ensure precision drilling for any project. Superior Craftsmanship: Manufactured by a team of skilled professionals, our water ...

Explore the precision and efficiency of the Sandvik DD422iE electric drill rig, a top-notch solution for

Diesel-electric down-the-hole drill rig price

dual-purpose

development drill rigs in mining operations.

Leopard(TM) DI560 is a highly mobile, compact, diesel-powered down-the-hole (DTH) drill designed for DTH blasthole drilling in mining, quarry and construction industries. Features include a self ...

The YG153 DTH Drill Rig is a classic model produced by our company. This DTH Drilling Rig adds a set of electric systems on the basis of the YG150 Down-the ...

Electric generators powered by large diesel engines (the prime movers) generate electricity that move the heavy rig equipment such as the rotary table (or top ...

China Feiyang Drilling Rig, Jining. 9,194 likes · 3,054 talking about this. Global full range manufacturer of drilling RIGS, authoritative supplier of industrial equipment.

The small down the hole drilling rig offers hybrid motor-air performance, designed for efficient rock drilling in tight or steep areas. Click!

Product description Drilling method: Diesel-electric integrated down-the-hole Hole diameter: 130-180mm DTH-hammer: 5 and 6 inches The SWDA series with the diesel-electric dual power, ...

The cost of buying a new drilling rig ranges from \$3-4 million for basic land rigs to over \$1 billion for advanced offshore rigs. Land rig rentals ...

Electric and hybrid rigs are leading the way, cutting down on emissions and noise. Some rigs now use electromagnetic heating, making oil ...

Electric Motor, Diesel-Electric Dual Power Separated Anchor Drill Rig with Hole Depth, Find Details and Price about Drilling Drilling Rig Machine from Electric ...

ZEGA TOP-HAMMER AND DOWN-THE-HOLE DRILL RIGS Introducing the ZEGA Drill Rig, the pinnacle of efficiency and precision in drilling technology. ...

Multifunctional Drilling Rig is a high-performance, multi-purpose machine designed to meet demanding drilling needs across various terrains and applications. Capable of operating with ...

ACE-Sunward offers SA 250 high performance and rugged Rotary Piling Rigs for Hard Soil Conditions. It also offers complete comprehensive solution for ...

Kaishan Group Co., Ltd. is a well-equipped company with strong technical force, specialized in Water Well Drilling Rig, Screw air compressor, Surface Drill Rig, Core drilling rig, Food ...

Diesel-electric dual-purpose down-the-hole drill rig price
