Where can I rent an air compressor?

United Rentals carries a leading selection of air compressors for rent, designed to provide efficiency and productivity to jobsites. Our inventory includes both towable and diesel-powered units. Get these exclusive online rates by renting through our website or app. For our full list of air compressors for rent, view the items below.

Can diesel air compressors be considered portable?

Both gas and diesel air compressors are more portable than electric air compressors since they do not always have to be hooked up to an electrical supply. Diesel air compressors, including towable ones, do not come with the concern of losing access to pressurized air due to a power outage.

Where can I buy a used diesel air compressor?

At Swift Equipment Solutions, we have a huge range of used diesel air compressors for sale. We offer certified used diesel engine air compressors from manufacturers like Doosan air compressors, Ingersoll Rand air compressors, Sullair air compressors, and Sullivan air compressors.
