

Dingxi Rock Drill Special Pipe Company

What is Jinshi drilling?

The main products and business of Jinshi Drilling include geological drill bits & reamers, geological drill pipes & casings, core drilling tools, accessory tools and equipment, full hydraulic drilling rigs, high-end customized drilling tools, drilling demonstration projects, and drilling technical services.

What products & business does Jinshi drilltech offer?

The main products and business include geological drill bits & reamers, geological drill rods & casings, core drilling tools, accessory tools and equipment, full hydraulic drilling rigs, high-end customized drilling tools, drilling demonstration projects, and drilling technical services. Thank you for being with us in 2024 at Jinshi Drilltech!

Does Sanrock offer special discounts on drilling rigs & air compressors?

Customer affirmation is our most valuable asset!!! Sanrock announces special offers on drilling rigs and air compressors for July-August Sanrock announced that in order to thank its customers for their support, the company will offer special discounts on drilling rigs and air compressor products from July to August 2024.!!!

Why should you use MINCON drill pipe?

The result is smoother drilling and lower total drill-string weight, which reduces strain on your drill rig and saves fuel during drilling. Mincon's comprehensive drill pipe range includes solutions for DTH, rotary and RC applications for the toughest drilling conditions on earth. Mincon has been supporting mines for over 45 years.

Why do you need a cold-drawn pipe for your drill rig?

Manufactured with cold-drawn seamless pipe, which ensures our drill pipes are straighter, lighter, and thinner. The result is smoother drilling and lower total drill-string weight, which reduces strain on your drill rig and saves fuel during drilling.

Which air compressor & drilling rig & qsdp888lg-22c?

Sanrock R66 drilling rig and QSDP888LG-22C air compressor. Customer affirmation is our most valuable asset!!!

Deeprook (GH) Limited (Deeprook) is a wholly Ghanaian company incorporated under the laws of Ghana with head office in Accra, Ghana. The company ...

Introduction Drill pipes are essential components in Down-The-Hole (DTH) hammer drilling systems, serving as the conduit for compressed air and facilitating efficient rock penetration. In ...

Proud Server of the World Water Well Missions Field since 1969 CALL US TOLL FREE 1-855-457-4469 !!!
