

## Engineering drilling rig product dealers

Drillers are the reason we helped invent reverse circulation drilling technology, created the thread that joined the industry, pioneered the blowdown valve, ...

Beijing BOMCO &#183; Introduction Beijing BOMCO Offshore Petroleum Engineering Technology Co., Ltd. (BOMCOBJ), with previous name BOMCO ...

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. ...

GEOD Drilling Equipment and Supply Inc. is one of the leading suppliers for products like engineering tools, machines, electrical parts, oilfield equipments, ...

BEYOND products cover but not limited to: China-make oil drilling rigs, workover rigs, wellhead and downhole tools, drilling tools, OCTG and other related ...

ZEGA TOP-HAMMER AND DOWN-THE-HOLE DRILL RIGS Introducing the ZEGA Drill Rig, the pinnacle of efficiency and precision in drilling technology. Engineered with cutting-edge ...

Drilling Supplies Europe Established in 2001 and with over 20 years of industry experience, Drilling Supplies Europe is a leading supplier and manufacturer of ...

With unmatched technical and global experience, RigQuip offers rig packages, maintenance and drilling equipment parts to customers worldwide.

2 days ago&#0183; Manufacturer of oil and gas equipment to the oilfield industry. Products include fracturing fleets, cementing equipment, coiled tubing units, coiled tubing double pumps, ...

SERVICE EXCELLENCE Our world class service center for drilling rigs and other drilling equipment in Dubai Investment Park was opened in 2020 and ...

We are a professional manufacturer of rotary drilling rigs, mainly engaged in engineering drilling rigs, pile drivers, cranes and other engineering machinery ...

With the optional feature, &quot;side swing device&quot;, the rig will have some more movements for better drilling positions, and the &quot;mast extension&quot; enables the rig to drill with 6m, 20ft., long drill rod, ...

Keystone Drill Services has over a century of drilling expertise! Our reputation has allowed us to represent the

## Engineering drilling rig product dealers

best manufacturers of drilling products in the ...

Baroid Industrial Drilling Products supplies a comprehensive line of drilling, grouting, plugging, abandonment, well rehabilitation and well development products engineered to optimize ...

Thor drill rig is a South African based drilling equipment manufacturing company. It's a family owned business that has been around since 1978 . We have built more than 700 units working ...

Soil Sampling and Drilling We specialise in the design and manufacture of high-quality, custom drilling and soil sampling equipment. Built for durability and ...

Buy drilling equipment from Dragon Products including dump trailers, frac tanks, drilling rigs, centrifugal pumps, & more severe-duty energy & industrial equipment. Request a quote today!

Tilters is a distributor of construction and mining equipment with sales and support operations. We are a multiline dealer, representing the best brands of ...

Onshore Rig Moving Services Offshore Rig Moving & Positioning Services International Rig Relocation Support Drilling Engineering Optimization Mud Engineering Fluid Management ...

Drilling Equipment and Spare Parts Supplier Drilling equipment is widely used in oilfield supply stores in both land and offshore markets, for designing and forming the top of the line drill rigs, ...

Transform Your Operations with Gasfield's Expertise in Instrumentation Products and Solutions Welcome to Gasfield Oil Drilling Rigs & Equipment Trading Co. L.L.C., a leading provider of ...

Sun Machinery is the place for contractors to buy and sell rigs and vessels and related equipment. Our database contains thousands of used equipment for sale, which are presented and ...

CME manufactures drill rigs and drilling equipment for the geotechnical, environmental, mineral exploration and construction industries nationwide.

Since 1999, Sunward has led innovation in equipment manufacturing, offering 200+ products across 10+ fields, exported to 100+ countries.

Drillmec is an international leader in manufacturing and distribution of drilling rigs for onshore and offshore applications as well and of drilling ...

IN-STOCK PRODUCTS 24/7 Drilling Rig Parts & Service Titan Engineering Supplies. excels in manufacturing drilling rig equipment and components and maintains a vast inventory of oil field ...

## Engineering drilling rig product dealers

Ranging in size from small, limited access drilling rigs to large platform/big performance sonic drilling rigs, our drill rigs cover a range of applications.

Our drilling tools are preceded by extensive R& D, field tested, and backed by our unmatched commitment to service and support. In addition, our diverse team offers industry leading ...

Manufacturing of geotechnical engineering equipment CGEG has products suitable for use in the main procedures of geological exploration including ...

These CFA rigs are suitable for Geotechnical, environmental and general smaller drilling applications down to around 15M with 90mm augers. Options include ...
