

Epico DTH Drilling Rig Rotary Head

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...

Are you planning to replace the old rotary head of your Atlas Copco AirRoc D40 & D50 DTH pneumatic crawler drilling rig? Look at here,the ...

OEM Manufacturer of Drilling Rig - Truck Mounted Drill Rig, DTH Drilling Rig, Water Well Drilling Rigs and Truck mounted DTH Cum Rotary Water Well Rig offered by Sharia Exports, ...

Keystone Drill is a distributor and manufacturer of rotary drills and drill rigs for the oil and gas field, construction field and mining field.

EURODRILL rotary heads for pile rigs are designed for high power consumption and a long durability. These rotary heads operate for many years in different ...

The reason customer want to drill the hole is that drill and blast is the most efficient and economic way to break rock instead of excavating it. Blast hole drilling equipment ...

Top drive DTH cum Rotary drill rig is capable of drilling in different formations such as Hard Rock by DTH, Unconsolidated / Alluvial formations using ...

Shock absorbers are available for both rotary and down-the-hole (DTH) drilling. Reducing shock and vibration provides a more fluid drilling operation and enhances performance. It also ...

The SDC170 is a fully hydraulic DTH drilling rig, weighing 25,437 kg, designed for large-diameter drilling in open-pit mining and quarries. It features a powerful Sandvik HTRH6 rotary head, ...

DHR 6W is a rugged, hydraulically powered rotary unit designed for use with water powered down the hole (DTH) hammers in underground drilling applications. Hole diameter: 92 mm - 203 mm ...

Triple H DTH This DTH unit has a unique rock drilling capability and is very popular in South Africa. This down-the-hole (DTH) drilling rig is designed for percussion drilling in hard rock. ...

Our products include Water Well Drilling Rigs, Mining Drilling Rigs, Diamond Core Drilling Rigs, Reverse Circulation Drilling Rigs, Underground drilling rig, DTH ...

BRUCE hydraulic rotary head with auger driver delivers high torque and control for drilling, anchoring, and

Epico DTH Drilling Rig Rotary Head

The reason customer want to drill the hole is that drill and blast is the most efficient and economic way to break rock instead of excavating it. ...

The DML is a crawler-mounted, hydraulic tophead-drive rig that's suitable for a variety of multi-pass rotary and DTH drilling applications. It's designed specifically for production blasthole ...

SmartROC D65, a mining drill rigs with Haladjian Drilling, leader in solutions for construction, mining and quarrying and expert in surface drilling products

Drilling performance and strength Built to the highest standards, the TH60 has a long history for robust and reliable performance. This top-head drive PTO drill rig has a strong, mid-weight ...

Construction Foundation Anchor Drilling Rock Mining DTH Drilling Rig Machine With Rotary Diamond Hammer new Manufacturer: ZT This Construction Foundation Anchor Drilling Rock ...

GENERAL BACKGROUND TO AIR-POWERED, DOWN-THE-HOLE HAMMER DRILLING (DTH) For production hole drilling, there are fundamentally three basic methods, as illustrated in ...

The PRD 650 is one of the robust rotary drill rigs, expertly crafted for domestic water wells and borehole drilling. It features a powerful pull-up force of 7,800 kg and drills holes from 6.5" to ...

DRILL PANGOLIN®; pneumatic rotary head assembly not only can be installed on regular DTH pneumatic crawler drilling rig, such as DRILL PANGOLIN®; QIN-PCR200-DTH & ...

The rotary head assembly of HAN-D50-DTH (CM351) pneumatic crawler drilling rig is interchangeable in Ingersoll Rand CM351 & Atlas Copco AirRoc D50 ...

With outstanding drilling performance, the Han-d50-dth Rotary head assembly has once again conquered local customers in the African continent. ...
