

The bit is the tool cutting the rock, and no hammer or rig drilling is better than the bit it uses. Down-the-hole bit are subject to severe stress from the striking piston as well as from the ...

The small down the hole drilling rig offers hybrid motor-air performance, designed for efficient rock drilling in tight or steep areas. Click!

In numerous projects, we oversee and execute our own drill and blast operations, enabling us to maintain greater oversight of the processes within the opencast mining chain and mitigate ...

Explore TechCom's range of Down-the-Hole (DTH) hammer drilling rigs from world-leading manufacturers Epiroc and Sandvik. Reliable, efficient drilling solutions designed for open-pit ...

In down-the-hole drilling a drill rod is fitted with a hammer at its lower end. The hammer, which is mounted on the drill bit, is activated through the addition of compressed air and driven into the ...

Self-propelled drilling rigs with movable drilling mounts for vertical, inclined and horizontal drilling. Different drill heads for different drilling techniques.

KH712D open-pit down-the-hole drill adopts new hydraulic technology and is a powerful assistant for rock drilling in open-pit mining, road construction, water conservancy, power stations and ...

A down-the-hole drill, usually called DTH Drilling Rig, is basically a mini jackhammer screwed on the bottom of a drill string. The speedy hammer ...

The independent rotary top drive simultaneously handles a drill string, which can be equipped with a down-the-hole hammer, tri-cone or drag bit. Cuttings are typically evacuated with air, but ...

A Down-the-Hole (DTH) drilling rig is a type of drilling equipment that drives a pneumatic hammer directly behind the drill bit at the bottom of the hole. This method delivers powerful, high ...

In down-the-hole drilling a drill rod is fitted with a hammer at its lower end. The hammer, which is mounted on the drill bit, is activated through the addition of ...

DTH drilling rig, short for Down-The-Hole drilling rig, is a cornerstone of modern drilling technology. Renowned for its efficiency, precision, and versatility, this equipment has ...

DTH drilling, also known as Down-the-Hole drilling, is a method used to drill boreholes into the earth's

External down-the-hole drill rig

surface. This technique involves a hammer that is ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH ...

Down-the-hole drill DTH drill tool operated with drilling mud (Drillstar MUDHammer) A down-the-hole drill, usually called DTH by most professionals, is basically a jackhammer screwed on the ...

Down-the-Hole (DTH) drilling is a technique used to create deep, precise holes in hard rock and challenging ground conditions. In this method, ...

Down-the-Hole refers to where the hammer action occurs when compared to drifter hammers, which hammer on top of the drill string. The DTH hammer piston always makes direct contact ...

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig is a powerful and versatile machine used in the ...

Have a deep understanding of the assembly process and principles of the down-the-hole impactor, including the precise assembly of the impact piston and the ...

Down-the-hole drilling (DTH) essentially involves a drilling hammer at the bottom of a drill string. It relies on three elements for drilling holes: bit loading ...

Discover how the right down-the-hole (DTH) drill rig can boost your mining and construction efficiency. Learn about rig types, key features, and ...

Like the external rotary rock drill, it has an independent rotary mechanism and an impact mechanism. The difference is the impact mechanism of the down-the-hole drilling machine - ...

Great for Deep Drilling: Can drill over 300 meters deep. Flexible Setup: Choose the right compressor and drill for each job. Strong and Durable: Can work in hard environments for ...

External down-the-hole drill rig
