

Fengjie Kaishan Down-the-Hole Drilling Rig Factory

KAISHAN KT11 Integrated Down the hole Drill Rig offers high efficiency and reliability for mining projects. With a drilling diameter of 100mm and a depth of 25m, it is perfect for various industries.

The ZT10 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes. ...

We are the Manufacturer and seller of Kaishan Brand Drilling rig, integrated drilling rigs, I will share some drill rig video on the work site and the instruction ...

Zhejiang Xinyu Machinery offers high-efficiency Kaishan DTH drilling rigs for mining and construction. Energy-saving, durable, and engineered with precision. Official distributor with ...

Our KT5C Integrated down the hole drill rig for open use is an advanced drilling device with an integrated screw air compressor system. The equipment is compact in structure and mobile ...

KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open pit mine, stonework blast holes and pre-splitting holes.

The KT15integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

The KT11 integrated down the hole drill rig for open use can drilling vertical, incined and horizontal holes, mainly used for open-pit mine.stonework blast holes and pre-splitting holes. it is driven ...

We value providing exemplary sales, and aftermarket parts and service for every customers. Trusted Down-the-hole Drilling Rig Manufacturer Are you wondering which kind of drilling rig ...

The KT11 integrated down the hole drill rig for open use can drilling vertical,inclined and horizontal holes.mainly used for open-pit mine,stonework ...

Kaishan KT25 integrated surface DTH drilling rig is a new drilling device which is carefully designed for large open-pit mine based on our development and production of DTH drilling rigs ...

The KT25 integrated down the hole drill rig for open use can drilling vertical,inclined and horizontal holes,mainly used for open-pit mine,stonework ...

Fengjie Kaishan Down-the-Hole Drilling Rig Factory

KT12 Integrated Down the hole Drill Rig The KT12 integrated down the hole drill rig is driven by a Cummins China stage III diesel engine and the two-terminal output can drive the screw ...

Kaishan drilling rig is best for quarrying, surface mining, underground mining, construction, exploration drilling industry applications. Best Services!

KAISHAN provides a full range of drilling rigs designed for different applications in the mining, tunneling, and other infrastructure industries.

KT7D integrates down-the-hole drilling system and screw air compressor system. It is a state-of-the-art drilling equipment capable of drilling vertical, inclined and ...

Down The Hole Drill Rigs Kaishan Group Co., Ltd. is a well-equipped company with strong technical force, specialized in Water Well Drilling Rig, Screw air compressor, Surface Drill ...

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw ...

kaishan dth drilling rigs are designed for high-capacity rock drilling in quarries, opencast mines & rock excavation. Call us for a FREE quote now!

Kaishan is a professional manufacturer of rock drills and DTH drilling rig in China, we have multiple series of DTH drilling rigs to meet your different requirements, including: DTH drilling ...

The KT6C Integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compression system, typical of compact ...

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

The KT12 integrated down the hole drill rig is driven by the Cummins China stage III diesel engine and the two-terminal output can drive the screw compression ...

Kaishan is also a professional manufacturer of rock drills, DTH drilling rig, water well drilling rig. We also provide mucking loader, haggloader, air picks, auxiliary products for the drilling rig, ...

The KG500GF photovoltaic down-the-hole drilling vehicle is a product specially designed for photovoltaic foundation pile holes. It is equipped with an 86KW engine, a high-efficiency desert ...

The KT12 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes,

Fengjie Kaishan Down-the-Hole Drilling Rig Factory

mainly used for open-pit minestonework blast holes and pre-splitting holes. i is driven by ...

The KG520/KG510H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder ...

\$41,740 Min. Order: 1 piece certified Kaishan Down-the-hole Engineering Driller Integrated KG310H Drilling Rig Machine Crawler-type \$15,000-60,400 Min. Order: 1 piece certified

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine,stonework blast holes and pre-splitting holes. It ...

The KG350GF photovoltaic down-the-hole drilling vehicle is a product specially designed for photovoltaic foundation pile holes. It is equipped with a 73KW engine, a high-efficiency desert ...

The KG420T/KG420TH down the hole drill rig for open use is an improved device in compliance with national reaulations on diesel enine emissions. Equipped with the Yuchai four-cylinder ...

The KT12 integrated down the hole dnil rig for open use can driling vertical, inclined and horizontal holes, mainly used for open-pit minestonework blast ...
