

Germany UNEST screw air compressor

What is a screw compressor?

A screw compressor is an air compressor that compresses air through the interaction of rotating screws. This mechanism enables the efficient generation of compressed air for a wide range of industrial applications. How do screw compressors work? A screw compressor consists of two parallel, intermeshing screws, one stationary and one rotating.

Who is alup Compressors GmbH?

ALUP quickly made a name for itself as a manufacturer of car air pumps. ALUP Compressors GmbH now offers its customers much more. ALUP is internationally known for its efficient compressed air systems, which are optimally tailored to the needs of individual customers.

Who makes rotorcomp air compressors?

ROTORCOMP is a prominent OEM supplier of screw compressors for air and gas, offering a comprehensive range that includes oil-injected screw compressor blocks and compact units. Their product portfolio spans a power range from 2.2 to 670 kW, making them a key player in the air compressor market.

Are almig screw compressors reliable?

ALMiG's screw compressors deliver reliable and efficient compressed air generation for your business. With advanced technology and numerous options, our compressors offer excellent performance and high energy savings. Benefit from high energy efficiency, durability and reliability of ALMiG screw compressors.

What is a Firstair screw compressor?

firstAir screw compressor FAS-AT 7 - compressor with receiver (270l) and dryer for high reliability, 7.5 kW power and a volume flow rate from 1.15 or 1.05 m³/min at max. operating pressures of 8 and 10 bar. More info ... Energy-saving screw compressor with speed control and permanent magnet motor.

What is a FAS rotary screw compressor?

FAS is a complete range of air cooled single stage rotary screw compressors starting from 3kW up to 90kW. The compressors are designed for heavy duty industrial use and prove their strength when running continuously. The compressors are equipped with IE3 high efficient main motors which guarantee a very economical operation.

We here listed the Top Screw Air Compressor Manufacturers & Suppliers in Germany. Check and ask for a quote for air compressors, rotary screw air ...

FIMA Compressors boasts over 40 years of great knowledge and experience in the field of compressed air. From the very beginning, our main goal has ...
