

Gq engineering drilling rig

GQ-15A (Stopped Production) engineering drilling rig is a new type of product designed by our factory. The drill is in the aligned hydraulic feeding system, so it can drill in the ways by ...

GQ-15 engineering drilling machine is newly designed special for large diameter pile hole drilling, can use forward-circulation and reverse circulation drilling ...

Drilling rig for sale, new GQ-60 Engineering drilling rig geotechnical investigation drill rig of Chongqing Gold Mechanical & Equipment Co., Ltd from China.

Quality Drilling rig manufacturers & exporter - buy Engineering drilling rigs GQ-20 for construction foundation and soil investigation from China manufacturer.

Introductions Geological drill rig, type GQ-10 is a large diameter light engineering drill rig developed by us, CGEG in conjunction with the continuous growth of the constructions of ...

Quality GQ-15 Engineering drill rig - find quality Drilling Rig, Construction Machinery Parts & Drilling Rig from Chongqing Huobo Surveying Instruments Co., Ltd. of China Suppliers - ...

The drill adopts direct and reverse circulation drilling technology, and drill in quaternary period gravel terrain and hard terrain. This type of drill can be mainly in application of foundation piles ...

Geological Drilling Rig, Type GQ-60 This drill rig is a new product developed by us, CGEG according to our customers" needs on engineering drilling and ...

We are Drilling rig manufacturer & provide Engineering drilling rigs GQ-20 soil testing drilling rig - Chongqing Gold Mechanical & Equipment Co., Ltd.

Engineering Drilling Rig (GQ-15A), Find Details and Price about Drilling Rig Engineering Drilling Rig from Engineering Drilling Rig (GQ-15A) - Guangdong Geological Goods & Materials Corp.

GQ-15 Big Pile Hole Foundation Engineering Drilling Rig ADD: NO.1 Kuaileli, Xiaolongkan Street, Shapingba District, Chongqing China; Skype: lucyfang9 ; Website:, ...

Product Description GQ-10 engineering drilling machine is newly designed special for large diameter pile hole drilling, can use forward-circulation and reverse circulation drilling methods ...

Engineering drilling GQ-20 for soil investigation drilling rigs, find complete details about Engineering drilling

Gq engineering drilling rig

GQ-20 for soil investigation drilling rigs, engineering driller, civil ...

Hydraulic drill rig GQ-10 is a light mobile water well drilling rig developed by our factory, construction of large diameter foundation pile holes. It uses the structure of spindle ...

ZZ Group machinery corp is a manufacturer who designs and produces geological exploration equipments (like drill rigs), coal bed methane equipments (like CBM drill rig), engineering ...

Geological Drilling Rig, Type GQ-60 is applicable in geological exploration in houses, dams, etc. and suitable for construction site that are hard to be ...

Latest Engineering drilling rigs GQ-20 for construction foundation and soil investigation from Quality Drilling rig, Chongqing Gold Mechanical & Equipment Co., Ltd - a Wholesale Supplier ...

GQ-15A engineering drilling rig is a new type of product designed by our factory. The drill is in the aligned hydraulic feeding system, so it can drill in the ways by pressuring and decompressing. ...

Geological drilling rig, type GQ-15 is a new product for large diameter foundation construction projects that adopts the forward and reverse circulation drilling.

Engineering drilling rig GQ-60 This drilling machine is manufactured according to the requirement of foundation engineering, suitable for drilling medium mini-type grouting hole of building, ...

Quality Drilling rig manufacturers & exporter - buy Engineering drilling rigs GQ-20 for construction foundation investigation from China manufacturer.

Quality Big pile hole drilling rig manufacturers & exporter - buy China Hot Sale Multi-function GQ-15 Foundation Engineering Drilling Rig With 50 m Depth from China manufacturer.

China Engineering Construction Drilling Rigs GQ-20 for Construction Foundation, Find details about China Drilling rig from Engineering Construction Drilling Rigs GQ-20 for Construction ...

Geological drilling rig, type GQ-15 is a new product developed by us, CGEG specialized for large diameter foundation construction projects. It adopts the forward and reverse circulation drilling, ...

The drill adopts direct and reverse circulation drilling technology, and drill in quaternary period gravel terrain and hard terrain. This type of drill can be ...

We are Big pile hole drilling rig manufacturer & provide China Hot Sale Multi-function GQ-15 Foundation Engineering Drilling Rig With 50 m Depth - Chongqing Spring Tech And Trade ...

Gq engineering drilling rig

Quality Engineering drilling rig GQ-60 for construction - find quality Drilling Rig, Mine Drilling Rig & Drilling Rig from Chongqing Huobo Surveying Instruments Co., Ltd. of China Suppliers - ...

Engineering drilling rig GQ-60 This drilling machine is manufactured according to the requirement of foundation engineering, suitable for drilling medium mini ...

GQ-15 Big Pile Hole Foundation Engineering Drilling Rig ADD: NO.1 Kuaileli, Xiaolongkan Street, Shapingba District, Chongqing China; Skype: lucyfang9 ; ...
