

Grandtec top drive rock drill

What makes a good rock drill?

The criteria include: Power Output and Efficiency: A high-performing rock drill must offer sufficient torque and speed to break through tough materials without consuming excessive energy. Durability and Build Quality: Durability is paramount, as rock drills endure extreme stress; superior materials and build quality are essential for longevity.

Is Venturetech a top drive manufacturer?

Venturetech entered the Top Drive business after 20 years of leading the field in power swivels. They have received 20 patents related to simplicity and reliability, and are dedicated to reducing down time and increasing safety. The XK-250 power swivel from Venturetech has been used as a top drive for many years, and they have recently received patents for simplifying its design.

What are the different types of rock drills?

There are several types of rock drills, each specialized for certain situations and tasks: Hand-Held Rock Drills: These portable units are operated manually and are ideal for tasks that require mobility and flexibility. They are commonly used in construction for small to medium-sized jobs, like creating holes for blasting or concrete anchor bolts.

What is a Gefco 22 mini top head drill rig?

GEFCO 22 MINI TOP HEAD DRILL RIG (Ref#8633T) Manufactured 2000, 200 cfm air compressor, 3 x 4 Tibban mud pump, mounted on International truck with DT466 engine, top head needs rebuilding, main pump is leaking, transfer case is removed from rig, switch driveline to drill, needs outer cover for mud pump.

Can a derrick rig up a torque track?

A derrick cannot rig up a torque track. Instead, one man hanging in a bosun's chair with a 2" wrench can quickly and safely make or break the patented track sections. The first-time torque track rigup includes permanent attachment of our universal base plate to heavy structure and welding a padeye under the crown for hanging the track.

Wuxi Grandtec Rock Drilling Machinery Download Center Wuxi Grandtec Rock Drilling Machinery specializes in the research and development, manufacturing, sales, and service of top drive ...

Terra Sonic TSI-150cc This sonic drill package is mounted on a low ground pressure tracked carrier for access to all sites. The sonic drill system can generate frequencies of 0-150 Hz ...

Crushing Hammer Series Wuxi Grandtec Rock Drilling Machinery Wuxi Grandtec Rock Drilling Machinery specializes in the research and development, manufacturing, sales, and service of ...

Grandtec top drive rock drill

Rock Drill Sliding Frame Series Wuxi Grandtec Rock Drilling Machinery Wuxi Grandtec Rock Drilling Machinery specializes in the research and development, manufacturing, sales, and ...

Mining Rock Drilling Series Wuxi Grandtec Rock Drilling Machinery Wuxi Grandtec Rock Drilling Machinery specializes in the research and development, manufacturing, sales, and service of ...

Specializing in top drive hydraulic rock drill and its accessories research and development, manufacturing, sales and service. The company's technical team began to devote itself to ...

GTK25 Our company has independently developed the top drive hydraulic rotary rock drill GTK25 based on domestic and foreign market demand. GTK25 adopts modular design, 3D modeling, ...

Wuxi Grandtec Rock Drilling Machinery_Wuxi Grandtec Rock Drilling Machinery specializes in the research and development, manufacturing, sales, and service of top drive hydraulic rock drills ...

GTK115 GTK115 adopts modular design, 3D modeling, and simulation calculation. This rock drill is a self-developed top drive hydraulic rotary rock drill, belonging to the ultra heavy rock drill. ...

GTK38 Our company has independently developed the top drive hydraulic rotary rock drill GTK38 based on domestic and foreign market demand. Patent numbers ZL2021109806920, ...

Handheld series Wuxi Grandtec Rock Drilling Machinery Wuxi Grandtec Rock Drilling Machinery specializes in the research and development, manufacturing, sales, and service of top drive ...

GTK45L Our company independently develops a series of top drive hydraulic rotary rock drills based on domestic and foreign market demand. GTK45L adopts modular design, 3D ...

GTM10A Our company independently develops a series of top drive hydraulic rotary rock drills based on domestic and international demand. Patent numbers ZL2021220243251 and ...

Anchor drilling rig series Wuxi Grandtec Rock Drilling Machinery Wuxi Grandtec Rock Drilling Machinery specializes in the research and development, manufacturing, sales, and service of ...

Wuxi Grandtec Rock Drilling Machinery specializing in top drive hydraulic rotary rock drill and its accessories research and development, manufacturing, sales and service. The company's ...

Wuxi Grandtec Rock Drilling Machinery News Center Wuxi Grandtec Rock Drilling Machinery specializes in the research and development, manufacturing, sales, and service of top drive ...

GTS19 Our company has independently developed a series of top drive hydraulic rotary handheld rock drills based on domestic and foreign market demand, with patent numbers ...

Grandtec top drive rock drill

GTM25 Our company has independently developed the top drive hydraulic rotary rock drill series GTM25, with patent number ZL2022231789998, in combination with domestic and ...

GTM04 Our company independently develops a series of top drive hydraulic rotary rock drills based on domestic and international demand. GTM04 adopts a modular design, equipped with ...

GTM25A Our company has independently developed the ultra heavy top drive hydraulic rotary rock drill GTK25A, with patent number ZL2022231789998, in combination with domestic and ...

GTK32K Our company has independently developed the top drive hydraulic rotary rock drill GTK32K, with patent numbers ZL2021109806846, ZL2021220205086, and ...

Top drive core collection Wuxi Grandtec Rock Drilling Machinery Wuxi Grandtec Rock Drilling Machinery specializes in the research and development, manufacturing, sales, and service of ...

Wuxi Grandtec Rock Drilling Machinery Site construction Wuxi Grandtec Rock Drilling Machinery specializes in the research and development, manufacturing, sales, and service of top drive ...

Wuxi Grandtec Rock Drilling Machinery Contact Us Wuxi Grandtec Rock Drilling Machinery specializes in the research and development, manufacturing, sales, and service of top drive ...

We supply drilling equipment and rock drill supplies for mining and construction projects in the USA and Canada. Get a free quote on drilling tools.

GTQX-15 Our company has independently developed the top drive hydraulic rotary rock drill GTQX-15 based on domestic and foreign market demand. GTQX-15 adopts modular design, ...
