

Indonesia Micro DTH Drilling Rig Sales

Who makes the best DTH drilling rigs?

As one of the most professional DTH drilling rig manufacturers, YG Machinery has developed and produced a series of down-the-hole drilling rigs of different models. And almost all have become hot-selling models. In addition, our down-the-hole drilling rigs are sold to many countries and regions in the world.

What is a DTH drilling rig?

The DTH drilling rig uses the impactor and the drill bit that sneak into the bottom of the hole to impact and break the rock, so it is called a DTH drilling rig. Widely used in metal mines, hydropower, transportation, building materials, harbors, and national defense projects.

What is a DTH drill machine?

And national defense construction. Compared with common rock drills, DTH drill equipment has the characteristics of deep drilling holes, large drilling diameters, high drilling efficiency, and wide application range. The crawler down-the-hole drill machine is currently a large-scale rock drilling equipment in general use.

What is DTH drilling equipment used for?

DTH drilling equipment is used in many constructions. Because the down-the-hole drill rigs are mostly used in various projects such as mining. Building foundation excavation, water conservancy, power stations, building materials, transportation. And national defense construction.

What is a down-the-hole drill rig?

The rock drilling principle of a down-the-hole drill machine is the same as a heavy-duty rock drill rig. The difference is that the impact mechanism of the down-the-hole drill - is a down-the-hole impactor. It is installed at the front end of the drill rod, and at the bottom of the manhole.

What are the characteristics of a down-the-hole drilling rig?

The characteristic of the down-the-hole drilling rig is that the energy loss when the piston hits the drill rod does not increase with the extension of the drilling machine. Therefore, it is suitable for drilling a large bore and a large depth of the blast hole.

After in-depth communication, we had known about their concerns about copper mining challenges, and they wanted a suitable solution for drilling environment and conditions of their ...

Our expertise lies in providing comprehensive drilling tools, drilling solutions that encompass drilling tools, DTH drilling tools and accessories. Whether for mining, construction, oil and gas, ...

A few days before, a Pakistan customer bought a DTH drilling rig from YG Machinery. It takes a long time to

Indonesia Micro DTH Drilling Rig Sales

make sure the order because this Pakistan customer knows ...

Engineered to precision, accuracy and durability. Kiran Engineers manufacture best quality of water drilling rigs and drilling equipment"s custom made to fit ...

Home / Products / Drilling Rigs / Geotechnical Drilling Rigs / Dando Terrier Rotary Rig Dando Terrier Rotary Rig Perfect for work in confined spaces of difficult access, this small, incredibly ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include auger and down-the-hole rigs. Typically these are mounted onto ...

Explore a wide range of high-quality blasthole drill rigs for mineral exploration and surface mining. Used drilling equipment, expert brokering services.

SWD series down-the-hole drills are widely used in blasthole drilling applications for surface mining, construction and quarries. Hole diameters range from 138mm to 255mm ...

Drilltech engineers pvt. ltd. - offering low price micro pile dth drill rigs in kanara business centre-ghatkopar (e), mumbai with product details & company ...

Established in 2018 and operating dual bases in Hebei (core drilling rigs) and Zhejiang (blasthole drills & air compressors), we specialize in geotechnical drilling equipment. We provide global ...

We Are the Reliable Partner to Make Your Drilling Better Kami adalah distributor resmi Boart Longyear(TM) di Indonesia yang telah berdiri sejak tahun 1976 ...
