

# Inner Mongolia Down-the-Hole Drilling Rig Factory

What is Mongolia's new drilling record?

The Major Drilling team at Oyu Tolgoi's copper project in Mongolia celebrates its 2,000-meter PQ3 drilling record on Oct. 22, 2020. A new drilling record is set in Mongolia at the Oyu Tolgoi copper project where Major Drilling teams completed a 2,000-meter (6,561 feet) PQ3 diameter hole.

Who owns the Oyu Tolgoi mine?

The Oyu Tolgoi mine is jointly owned by the Government of Mongolia and Turquoise Hill Resources, a majority owned Rio Tinto mineral exploration and development company. Rio Tinto has managed the Oyu Tolgoi project since 2010. Major Drilling received recognition as the 2019 Best Drilling Company from the Mongolia Drilling Association.

What drills are used at Oyu Tolgoi?

Drilling teams used a UDR 5000 multi-purpose rig. The UDR 5000 is the drill Major Drilling teams use at Oyu Tolgoi to reach the deep targets. A core sample shows the 2,000-meter depth at the Oyu Tolgoi copper project in Mongolia.

What is the Oyu Tolgoi drilling campaign?

It is a group that has, since early 2000, established a drilling campaign in the Gobi Desert to answer the call from Rio Tinto for high standards of equipment, people and safety needed to bring the Oyu Tolgoi mining complex to life.

Discover the power of down the hole drilling technology featuring superior performance in hard rock, enhanced accuracy, and advanced automation capabilities for efficient and precise ...

The third drilling rig from Black Diamond: HJG-B140 full hydraulic blasting hole drilling rig. In 2012, it was sent from Black Diamond to Inner Mongolia, and recently it has been working hard on ...

Major Drilling Mongolia is part of the Major Drilling Group International Inc. Major Drilling Mongolia has been operating in Mongolia since July 2002. Our fleet ...

Chongqing Bolide Engineering Machinery Co., Ltd.: We're well-known as one of the leading drill rig, anchor drill rig, rock drill rig, hammer drill rig, down the hole drill rigs manufacturers and ...

It can drill vertical, inclined and horizontal holes of 75-152mm, mainly used in open air Drilling blasting holes and pre-splitting holes in mines and stonework. The drilling rig is equipped with ...

PVT is one of the most professional down the hole drill rigs manufacturers and suppliers in China. Welcome

# Inner Mongolia Down-the-Hole Drilling Rig Factory

to wholesale bulk down the hole drill rigs in stock here and get pricelist from our factory.

PVT is one of the most professional hammer drill rig manufacturers and suppliers in China. Welcome to wholesale bulk down the hole drill rigs in stock here and get pricelist from our factory.

Rock Drilling There are three methods of rock drilling for production holes: Rotary high rotational speed, low torque and thrust low ...

The down the hole drilling rig exported this time integrates advanced rock drilling technology, with strong drilling capability and excellent geological adaptability. Equipped with an intelligent ...

The ZEGA D460A drilling rig is widely used in large- scale mining operations in Inner Mongolia, with a borehole diameter of 115-152mm and a maximum drilling depth of 42 ...

Looking for a good deal on down the hole drilling rigs? Explore a wide range of the best down the hole drilling rigs on AliExpress to find one that suits you! Besides good quality brands, you'll ...

The split down the hole drill rig, mainly for quarries, cement mines, open pit coal mines, and other types of mines, has a 4-inch impactor, a main 115-hole diameter, high drilling efficiency, ...

SWDE152S Drilling method: Down-the-holeHole diameter: 138-165mmDTH-hammer: 5 and 6 inches The SWDE series is surface down-the-hole drilling rigs which a drilling diameter of 90 ...

We're professional down the hole hammer drill rigs for mining (mines) manufacturers and suppliers in China, specialized in providing high quality products and service. We warmly ...

Inner Mongolia Yinggong Machinery Equipment Co., LTDWELL RECOGNITION COMES FROM CUSTOMERS" SATISFACTION One-on-one communication, tailored Our main products are: ...

Inner Mongolia Yinggong Equipment Machinery Factory mainly produces KY-100, KY-150, KY-200, KY-250, KY-300, KY-400, KY-500, KY-600 tunnel drilling RIGS. K- means drilling in the ...

As one of the leading integrated open-pit down-the-hole drill rig manufacturers and suppliers in China, we warmly welcome you to wholesale integrated open-pit down-the-hole drill rig in ...

AdvantagesThe down the hole drilling rig delivers strong power with low fuel consumption and flexible speed control, adapting to various working conditions. The integrated air compressor ...

China leading provider of Down The Hole Drilling and Tricone Drill Bit, ROSCHEN GROUP is Tricone Drill Bit factory.

# Inner Mongolia Down-the-Hole Drilling Rig Factory

DTH drilling rig, short for Down-The-Hole drilling rig, is a cornerstone of modern drilling technology. Renowned for its efficiency, precision, and versatility, this equipment has ...

Down the hole drilling rig, particularly effective in hard rock drilling, ideal for mining, quarrying, water wells, geotechnical projects.

Recently, TYHEN KR125A small rotary drilling rig entered Inner Mongolia, and was working in the factory reconstruction project of ZiChen XingFeng Company in Inner Mongolia. The project is ...

On 16th October,2021, Mesda SD35A integrated down-the-hole drill rig (SD35A) successfully rolled off the production line in Mesda Drilling Equipment Co., Ltd Mesda ...

Down the hole drill rig, also known as DTH drilling machine, is applied in mining, engineering, quarrying, geotechnical investigations, etc.

China Surface Down-The-Hole Drill Rig KT12 in Mongolia Manufacturers, we carry all the kinds of Surface DTH Rig KT12 in Mongolia, Surface DTH Driller KT12 in Chile, Surface DTH Driller ...

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig is a powerful and versatile machine used in the ...

Its superior performance is evident in its adaptability to various challenging terrains, making it ideal for construction projects in high latitude and high altitude regions such as Xinjiang, ...

A new drilling record is set in Mongolia at the Oyu Tolgoi copper project where Major Drilling teams completed a 2,000-meter (6,561 feet) PQ3 diameter hole. ...

MININGWELL is one of the most professional down the hole drilling manufacturers and suppliers in China, featured by quality products and good price. Welcome to buy discount down the hole ...

The small down the hole drilling rig offers hybrid motor-air performance, designed for efficient rock drilling in tight or steep areas. Click!
