

Jiajieshi screw air compressor display

Which display controller for Elgi screw compressor?

We provide 100% compatible & interchangeable computerized display controller Neuron II, Neuron III, Neuron PLUS etc elgi screw compressors at very much competitive price and oem quality. we supply different display controllers for elgi screw compressor. All manufacturer's name,symbols,part nos. & descriptions are used for reference purpose only.

How does a screw air compressor work?

Screw air compressor is divided into air cooling type and water cooling type,through the fan or water forcing cooling. Air cooling system consists of cooling fan,oil coolers and air cooler. The cooled air is pumped into the fan; go through oil cooler and air cooler,and at the same time,cool and compressing lubricating oil and air.

What is air compressor process?

Air compressor process includes air system,lubricating oil system and cooling system. After air into the air filter removing dust,it is compressed in the air end through the inlet valve.

How to choose air compressor station?

air compressor station which Q 1 and Q 0 are very different. Among the three calculation methods, each industry should choose it according to the characteristics of the industry, the traditional habit and experience.
