

Jinfan core drilling rig

Wuxi Jinfan Drilling Equipment Co., Ltd. is China's anchor drilling machine, ground source heat pump, Marine engineering survey rig drilling rig, and leading the sonic drilling machine ...

Wuxi Jinfan Drilling Equipment Co., Ltd. (hereinafter referred to as "Jinfan",) founded in 2003, is located in the Meicun Industrial Zone of Wuxi New District, with business covering more than ...

Hydraulic Crawler Exploration Integrated Geological Core Drilling Rig for Efficient Operations, Find Details and Price about Drilling Rig Hydraulic Drilling Rig from Hydraulic Crawler Exploration ...

The drilling rig is mainly applied in RC drill,geothermal hole,anchor hole of deep basement foundation anchoring and reinforcement groundwork hole. Also, it is used in drilling in the drain ...

YDX-300 surface core drilling rig is one kind of hydraulic top drive rotary head type drilling rig which is mainly used in diameter diamond drilling of metal and nonmetal solid deposit ...

The XY-5 core drilling rig is mainly used for diamond small diameter drilling in the exploration of metallic and non-metallic solid deposits. It can also be used for drilling large diameter alloys. ...

The Drilling Rig Model YGL-C200,which is a full hydraulic top drive impact power head crawler drilling rig. It applies to construction of big tonnage stress anchoring hole, the grouting ...

High-Performance Core Drilling Rig with 600m Depth Capability, Find Details and Price about Advanced Drilling Rig Wireless Control Rig from High-Performance Core Drilling Rig with ...

Jinfan is especially devoted to research & develop, manufacture and sell anchoring drilling machine, sea engineering geological exploration drilling rig, core drilling machine and RC ...

Mobile Crawler Engineering Hydraulic Core Drilling Rig for Geological Exploration, Find Details and Price about Drilling Rig Hydraulic Drilling Rig from Mobile Crawler Engineering Hydraulic ...

Jinfan can also design and produce the other type of drilling machine and drill tools for special application according to customer's requirements. It is the leader of supplying sea engineering ...

Ceremoniously Launched by Wuxi Jinfan Drilling Equipment Co., Ltd. Principal applications for Environmental investigation Borehole drilling for GSHP system ...

Fully Hydraulic Crawler Core Diamond Wireline Geological Drill Rig for Efficient Excavation, Find Details

Jinfan core drilling rig

and Price about Drilling Rig Crawler Drilling Rig from Fully Hydraulic Crawler Core ...

Ydx-300 High-Efficiency Fully Hydraulic Deep Portable Core Drill Rig for Drilling Solid Deposits, Find Details and Price about Drill Rig Hydraulic Core Drill Rig from Ydx-300 High-Efficiency ...

The drilling rig has a large stroke, which is beneficial for reducing the number of rod reversals, preventing core blockage, and improving productivity. The drilling rig has a simple structure, ...

Product Profile YDX-600 surface core drilling rig is one kind of hydraulic top drive rotary head type drilling rig which is mainly used in diameter diamond drilling of metal and nonmetal solid ...

Jinfan is especially devoted to research & develop, manufacture and sell anchoring drilling machine, sea engineering geological exploration drilling rig, core drilling machine and ...

Features The rig takes advantage in its high rotary speed, reasonable rotary speed range, various rotary speed grades and big torque in low speed. Hence, it's very suitable for small diameter ...

YGL-50Q is one kind of full hydraulic power head type drilling rig. It is mounted on a crawler chassis, driven by full hydraulic system which is the common borehole machine for vertical or ...

Hydraulic Surface Crawler Core Geotechnical Exploration Diamond Wireline Coring Machine Drilling Rig, Find Details and Price about Drilling Rig Crawler Drilling Rig from Hydraulic ...

Hydraulic Core Drill Machine Rig for Harsh Environments and Geological Survey Projects, Find Details and Price about Drill Rig Hydraulic Drill Rig from Hydraulic Core Drill Machine Rig for ...

YDX-1200 drilling rig is mainly used in diameter diamond drilling of metal and nonmetal solid deposit exploration. It can also be used in carbide bit core ...

Jinfan core drilling rig
