

# Jn2008 screw air compressor

Our main products include: piston type air compressor, screw air compressor, and centrifugal air compressor. The company has been a leader in the diesel portable screw air compressor ...

Air Compressor & Stationary Air Compressor & Kaishan JN Series Two-stage Compression Screw Air Compressor Adopting two stage compression main engine means adopting two sets of ...

Two Stage Rotary Screw Air Compressors- JN Kaishan is a world-leading premier supplier of rotary screw air compressors. Rotary screw air compressors are ...

Short Description: JN series screw air compressor with the patented "Y"line as the core,the JN screw air compressor designed by dozens of technicians from ...

KAITAIN series screw air compressor is easy to operation, convenient to maintain and provided with professional after-sale service. KAITAIN screw air compressor operates at a soft voice ...

In contrast, the low-pressure screw air compressor, with the same motor power, can greatly increase compressed air production, resulting in electricity savings of 20% to 50%.

JN Series Low-Pressure Screw Compressor JN series low-pressure screw air compressor is operated simply, maintained conveniently and is equipped with ...

UNITED OSD??,?? ...

Kaishan JN Series High Pressure Screw Air Compressor This type air compressor is designed according to 40 bar maximum pressure. Rotor profile: SKY 2G Patented rotor profile with ...

When operating at air pressures between 0.2 and 0.5Mpa, using a conventional 0.7Mpa air compressor can lead to significant electricity waste. In contrast, the low-pressure screw air ...

Zhejiang Kaishan Compressor Co., Ltd. is a professional compressor enterprise with over 60 years of history. It is at present the largest air compressor ...

Screw Air Compressor - JN series JN series screw air compressor with the patented "Y"line as the core, the JN screw air compressor designed by dozens of technicians from Kaishan Seattle ...

1.1 Instruction The oil-injected screw air compressor has the characteristics of reliable running performance, few wearing parts, low vibration, low noise, and high efficiency. During the ...

## Jn2008 screw air compressor

A rotary screw air compressor is one of the two types of positive displacement gas compressors. It uses two rotors to create the pressure needed for air ...

Product Description: The JN series air compressor is an efficient and energy-saving screw type air compressor, mainly designed for the stable air source and energy-saving needs in the ...

Comptech Air Compressor, Ahmedabad. 2 talking about this. Comptech Equipments Limited (CEL), established in 1966 is an ISO 9001:2008 Company, which designs and manufactures ...

We have high compressed air demand due to our grit blaster and thermal spray guns,so we need a rock solid compressor. We have a Quincy now, but we are having ...

Two Stage Screw Compressor adopting 2 sets of SKY screw rotors of different sizes to achieve reasonable pressure distribution and reduce energy ...

Power range: 90-400kW The two-stage compression screw air compressors of Kaishan reach the key points of Level-1 energy efficiency: 1. Two-stage compression is closer to the most power ...

Kaitain series integrated screw air compressor is upgrade product of piston air compressor. Each model has energy saving certificate issued by national authoritative test organization. Each ...

Energy-Saving JN Series Two-stage Compression Screw Air Compressor Adopting two stage compression main engine means adopting two sets of ...

When your gas pressure is 0.2-0.5Mpa, using a conventional 0.7Mpa air compressor will cause huge power waste. Choosing a low-pressure screw air compressor can significantly increase ...

Kaishan JN Series High Pressure Screw Air Compressor The best structure, the highest reliability and the best energy efficiency. Displacement:16-39 m<sup>3</sup>/min Pressure:2.5-3.5 Mpa Power:200 ...

JN Series Energy-Saving Two-Stage Screw Air Compressor Perfect production management, processing means and top-ranking design level make that JN series products have excellent ...

According to the user's pressure, automatically adjust the internal compression ratio to maintain the best energy efficiency. The saved electricity bill will enable you to recover your investment ...
