

Kaishan KG925 down-the-hole drill video

The Kaishan integrated surface drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor s...

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors. The drill rig features a folding frame track and ...

The KG9 down the hold drill rig is designed for open pit mines and quarries for drilling holes with a diameter of \varnothing 105-152mm in vertical, inclined, and horizontal orientation.

The KG610H open-type down-the-hole drill rig is an improved unit designed for unrestricted operation, fully compliant with national regulations for diesel engine emissions. Equipped with ...

KT11 down the hole drilling machine drills \varnothing 115-152mm vertical, inclined and horizontal hole for open-pit mines and stonework project.

KT20S down-the-hole drilling rigs operated on copper mines in South America in 2020 TP-120H Adjusting the Angle of the Drill Boom TP-120H Automatic Drill Pipe Connection KS311 ...

The KG520/KG520H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder engine ...

The KGH5Alll down the hole drill rig for open use is an improved device in compliance with national regulations on environmental protection. Equipped with the Yuchai four-cylinder ...

The KG590/KG590H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder engine ...

KG310 flexible derricking mechanism is suitably qualified for horizontal drilling at a low level. The hydraulic system has been improved, leading to increased system flow and rotary speed.

The KG420S/KG420SH down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. The drill rig is equipped with the two ...

The Kaishan Portable Blast Hole Open Mine Drilling Machine KG726 Down The Hole Hammer Drill is an upgraded model developed to meet national environmental protection standards. It ...

The KG510/KG510H down the hole drill rig for open use is an improved device in compliance with national

Kaishan KG925 down-the-hole drill video

regulations on diesel-engine emissions. Equipped ...

The KG510/KG510H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder engine ...

The drill car is equipped with a mature two stage coarse fine separation dust collecting system, which has good dust collecting effect and stable performance. The drilling rig has a borehole ...

The KG920BIII/KG920BHIII down the hole drill rig for open use is an improved device in compliance with national regulations on environmental protection. ...

Kaishan KG420T/KG420TH Down the Hole Drill Rig for Open Use Kaishan is a world-leader in the supply of mining and rock excavation tools and equipment. In addition to supplying your ...

Kaishan Integrated down-the-hole Drilling Rig KT9D can reach the Depth Max 24m, Diameter 90-130mm, f: 6-20 hardness. If you want to learn details, please contact...

The KG510/KG510H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder ...

The KG410 down the hole drill rig for open use is an improved device in compliance with national regulations in diesel-engine emissions. Equipped with Yuchai four-cylinder engine (China 3), ...

KG726 Down The Hole Drill Rig KG726 expanded pitch and lifting arm hydraulic cylinder enable it to meet the requirements of limiting position use. Meanwhile, the hydraulic system is ...

Kaishan dth drilling rigs is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

The KG410/KG410H down the hole drill rig is particularly suited for operation in open pit mines and stone quarries. It comes equipped with a Yuchai four-cylinder engine (China III) and ...

DTH drilling machine has stable performance, faster rotary and feed speed, prolong working life of motor and more reliable. Get A Free Quote Now!

Based on the KG920B drill truck, the KG925 open-air down-the-hole drill truck has innovatively designed the guide rail, rotator, crawler frame, operating platform and overall layout, The main ...

Based on our previous product KG925 borehole drilling machine, we developed this KGH4 medium pressure eco-friendly crawler drilling rig. The new product comes with a dry type dust ...

Kaishan KG925 down-the-hole drill video

Brief info: KG925 Down the Hole Driller for Marble Bore Hole, US \$ 9,650 - 30,455 / Set, New, Zhejiang, China, KaiShan.Source from Shaanxi Kaishan Mechanical ...

KAISHAN KT11 Integrated Down the hole Drill Rig offers high efficiency and reliability for mining projects. With a drilling diameter of 100mm and a depth of 25m, it is perfect for various industries.

Kaishan KG430 blast hole drill rig is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

\$28,000.00 Min. order: 1 unit Easy Return KY120 Crawler Rock Driller Machine for Stone Drilling/portable rock drilling machine and hydraulic down-hole drill rig KY120 \$18,000.00 Min. ...

Categories: All Products, Kaishan Drilling Rigs, Rock Drilling Tools Description: Kaishan KG Series Portable Borehole Hard Rock Drill Rig with Hole Hammer DTH Mining Drilling Machine ...
