

Kaishan brand down-the-hole drilling rig agent

The KT12 integrated down the hole drill rig is driven by the Cummins China stage III diesel engine and the two-terminal output can drive the screw compression system and hydraulic ...

Brief info: Kaishan brand KG9 Integrated Down the hole Drill Rig for mining, US \$ 95,000 - 120,000 / Set, New, 1 year, Video technical support, Online support, Field maintenance and ...

"Kaishan brand" down-the-hole drilling rig series products are innovatively designed according to the characteristics of Chinese mines, with novel structures, high efficiency, and energy saving. ...

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both ends of the output at the same time to drive the screw ...

"Kaishan brand" down-the-hole drilling rig series products are innovatively designed according to the characteristics of Chinese mines, with novel structures, high efficiency, and energy saving.

The KT6C Integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compression system, typical of compact ...

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors. The drill rig features a folding frame track and ...

Kaishan is also a professional manufacturer of rock drills, DTH drilling rig, water well drilling rig. We also provide mucking loader, haggloader, air picks, auxiliary products for the drilling rig, ...

We are the Manufacturer and seller of Kaishan Brand Drilling rig, integrated drilling rigs, I will share some drill rig video on the work site and the instruction ...

The KG610/KG610H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Cummins four-cylinder ...

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

New Kaishan Brand KG350GF open-air photovoltaic drilling rig is a machine specially designed for photovoltaic foundation pile holes, equipped with 73.5KW diesel engine, high-efficiency ...

Kaishan brand down-the-hole drilling rig agent

Our KT5C Integrated down the hole drill rig for open use is an advanced drilling device with an integrated screw air compressor system. The equipment is compact in structure and mobile ...

The KG610H open-type down-the-hole drill rig is an improved unit designed for unrestricted operation, fully compliant with national regulations for diesel engine emissions. Equipped with ...

KSQ31-KQG-115 Down-the-hole Mining Drilling Rig is a new, efficient and professional down hole drilling rig developed by our company on the basis ...

Mine Drill Rig Kaishan Brand Kg610 Down The Hole Drill Rig for Mining Blasting Mining Rock Drilling Machine, Find Details and Price about Drilling Machine Rock Drilling Machine from ...

It can drill vertical, inclined and horizontal holes of \varnothing 115-152mm, mainly used in open air Drilling blasting holes and pre-splitting holes in mines and stonework. The drilling rig is equipped with ...

The KT20 integrated down the hole drill rig for open use is a new drilling device developed by our company after years of development and production of down the hole drill rig to meet the ...

Search for used used drill press for sale. Find Kaishan KG726III / KG726HIII, Kaishan KT5C, Kaishan KG420T / KG420TH, and Kaishan KT12 for sale on Machinio.

KAISHAN Drilling Rig, down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine,stonework blast ...

The KT10 integrated down the hole drill rig is driven by the Cummins China stage III diesel engine and the two-terminal output can drive the screw compression ...

About Us If you are searching for high end drilling rig and air compressor, we promise that it is well worth checking our company. Headquartered in Zhengzhou City, Henan Province, ...

Key attributes Power Type Diesel Drilling Diameter 75mm, 100mm, 200mm Drilling Depth Max.25m Place of Origin China Weight 17500 KG Warranty 1 Year Core Components Engine ...

Brief info: Kaishan Brand KT12 High pressure Down The Hole surface hydraulic motor for drilling rig, US \$ 6,000 - 180,000 / Set, New, 1 year, Video technical support, Online support, Field ...

The KT15 integrated down the hole drilling rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes. It ...

KT11 integrated surface DTH drilling rig is using Cummins three diesel engines as a single power, by both

Kaishan brand down-the-hole drilling rig agent

ends of the output at the same time to drive the screw compression system and ...

The KT5C Integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor system, characterized by compact ...

The ZT10 integrated down the hole drill rig for open use is a new drilling device developed by Kaishan Group after years of development and production of ...

KT25 open-pit down-the-hole drilling rig is a new type of drilling equipment carefully designed for the needs of large open-pit mines on the basis of years ...
