

Kaishan down-the-hole drilling rig air compressor

Kaishan KQD150B Down The Hole Drill Machine is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

Kaishan Separated DTH Surface Drill Rig is used for open pit, mine, quarry, construction etc. And this mine drilling rig is with good integrity, environmental protection and energy saving, high ...

The KG610H down-the-hole drill rig for open use is equipped with a dust collector, thus making the operation environment-friendly and reliable.

Kaishan KG410 blast hole drill rig can drill vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework. Call for a quote now!

Kaishan is also a professional manufacturer of rock drills, DTH drilling rig, water well drilling rig. We also provide mucking loader, haggloader, air picks, ...

Kaishan drilling rig is best for quarrying, surface mining, underground mining, construction, exploration drilling industry applications. Best Services!

The KT11 integrated down the hole drill rig for open use can drill vertical, inclined and horizontal holes. mainly used for open-pit mine, stonework blast holes and pre-splitting holes is driven ...

kaishan dth drilling rigs are designed for high-capacity rock drilling in quarries, opencast mines & rock excavation. Call us for a FREE quote now!

Categories: All Products, Kaishan Drilling Rigs Description: The "Kaishan" brand KT5C/KT7C/KT9C integral DTH mine drilling rig is designed for: Open-pit mining Quarry ...

If you are searching for high end drilling rig and air compressor, we promise that it is well worth checking our company. Headquartered in Zhengzhou City, ...

The KT15C integrated down the hole drilling rig is more heavy than KT15 model, which is lower revolving rotating speed of gyator 100rpm/min, and with feed stroke 4580mm/5580mm for ...

Brief info: Excellent KAISHAN brand KT20 integrated down the hole drill rig with Air compressor borehole drilling machine, US \$ 239,000 - 266,000 / Set, New, 1 year, Video technical support, ...

Kaishan down-the-hole drilling rig air compressor

The KT9C integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor system. It is capable of drilling ...

The KT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes. mainly used for open-pit mine, stonework ...

Kaishan KT11 dth drilling machine is designed for high-capacity rock drilling in quarries, opencast mines & rock excavation. Get a FREE quote now.

Our KT5C Integrated down the hole drill rig for open use is an advanced drilling device with an integrated screw air compressor system. The equipment is compact in structure and mobile ...

All Products Blast Hole Drilling Rig KT7C Integrated Dth Bore Hole Drill Rig for Mining Ore Read more All Products Boreas BK Series Industrial Electric Silent ...

Kaishan is also a professional manufacturer of rock drills, DTH drilling rig, water well drilling rig. We also provide mucking loader, haggloader, air picks, auxiliary products for the drilling rig, ...

DTH drilling machine has stable performance, faster rotary and feed speed, prolong working life of motor and more reliable . Get A Free Quote Now!

Kaishan dth drilling rigs is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

This machine is produced based on our company's years of drilling-rig-making experiences, which is specially designed to meet the demands of operators ...

Are you wondering which kind of drilling rig and compressor are the best choices? Maybe you can find the answer in KAISHAN Group. We are the biggest air compressor and drilling equipment ...

The KT15 integrated down the hole drilling rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes. It ...

Kaishan Separated DTH Surface Drill Rig is used for open pit, mine, quarry, construction etc. And this mine drilling rig is with good integrity, environmental ...

The KG410 down the hole drill rig for open use is an improved device in compliance with national regulations in diesel-engine emissions. Equipped with Yuchai four-cylinder engine (China 3), ...

KT10 integrated down the hole drill rig The KT10 integrated down the hole drill rig is driven by a high power

Kaishan down-the-hole drilling rig air compressor

Cummins China stage III diesel engine with a two-terminal output that can drive ...

Kaishan KT7C blast hole drill rig is designed for high-capacity rock drilling in quarries, mines & construction. Great usability, efficient rig operation.

KAISHAN KG310 Down the hole DTH drilling rig with air compressor used in Dubai. The folding frame track, four-wheel drive and tramming motor of plunger piston improve the working ...

The KG520/KG520H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions.

The KT5C Integrated down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor system, characterized by compact ...

ZT10 Integrated Down the hole Drill Rig for Open Use. The ZT10 integrated down the hole drill rig for open use is an advanced piece of drilling equipment developed by Kaishan Group to meet ...

Kaishan KG series Separated DTH drill rig drilling rig is used for open pit, mine, quarry, construction etc. And this mine drilling rig is with good integrity, environmental protection and ...
