

Kongshan automatic rod changing down-the-hole drill rig

KS130 Diesel Hydraulic Down-the-Hole Drill Rig-DTH drilling machine--Guangxi Kongshan Machinery Equipment Co., Ltd. is Guangdong Shunde KONCON heavy machinery Co., Ltd., ...

B1B automatic rod changing down the hole drilling rig GIA B1B has advanced technology and mature down the hole drilling method. It has reliable performance and high drilling quality. It is ...

The ZT10 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes. ...

PD INNOVATE PDKJ- 103 Integrated Automatically Changing Rod Down -the- hole Drill rig Features: 1: Automatic receiving and unloading rod system, to meet a single ...

Kaishan Machinery. 178 likes. Efficient and excellent mining equipment, many years of manufacturing experience, loyal customers in the global market. mining drilling rig biggest ...

2025 New Model Hydraulic Top Hammer Drill Rig Auto-Rod Changer & DTH Dual System Surface Mining Equipment, Find Details and Price about Down The Hole Drill Rig Hydraulic Drill Rig ...

+ A rig you can rely on - shift after shift SmartROC rigs from Epiroc work consistently and effectively even in the most demanding conditions. Air capacity is the most important factor ...

Sanrock automatic drilling rig with rod changing system, powerful feeding and rotation design for less jamming in complex rock situation,efficient High efficiency drilling speed.

Kaishan DTH drilling rig ZT10 is robust performance in hard rock, fuel efficiency, wide drilling range & versatility, and easy maintenance.

Crawler Blasting Rig ZT5 Mining Blast Hole Down The Hole Drilling Rigs With Built-in Compressor ZT5 integrated open-air DTH drilling rig is an advanced ...

Products Description The KT15 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre ...

The KT11 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes. it is driven ...

Kongshan automatic rod changing down-the-hole drill rig

2. Automatic rod change device of full hydraulic surface down-the-hole drilling rig The automatic drill rod library is equipped with bionic manipulator and rotary ...

Product Description The KT30 integrated down the hole drill rig for open use can drilling vertical and inclined holes, mainly used for open-pit mine, stonework blast holes and pre-splitting ...

Discover the impact of Down the Hole Hammers (DTH hammers) in urban redevelopment projects. Learn how these specialized tools enable ...

2. Automatic rod change device of full hydraulic surface down-the-hole drilling rig The automatic drill rod library is equipped with bionic manipulator and rotary drill rod storage. An operator can ...

A side-sliding rod handler, attached to the base of the drill rig's mast. It handles the feeding and retrieving of rods and casing between the DRS and drill rig, completely hands-free.

The rig is most commonly used for open-pit mines, stonework blast holes, and pre-splitting holes. The drill rig is equipped with an automatic rod handling system and lubricating module of the ...

The compact design of crawler-type hydraulic down-the-hole drilling rig, its safe, flexible, stable chassis frame, powerful travel motor and suspension crawler ensure flexible mobility, high ...

Borehole drilling rig manufacturer in China, Borehole drilling rig, DTH Drilling machine and Down the hole drilling machine Manufacturer.welcome visit <https://www.kongshan.com>...

The drill rig is equipped with high strength aluminum alloy propulsion beam, variable hydraulic system, automatic rod handling system, drill pipe floating joint module,drill pipe lubrication ...

WhatsApp: +8618378848589 Email: [gxsjx@163](mailto:gxsjx@163.com) #Drilling rig #machinery #Mining machine #Mining equipment #Rig #water well drilling rig

It is mainly used for open-pit mines, stonework blast holes, and pre-splitting holes. The drill rig is equipped with an automatic rod handling system and lubricating ...

The reason customer want to drill the hole is that drill and blast is the most efficient and economic way to break rock instead of excavating it. ...

The drill rig is equipped with the automatic rod handling system.drill pipe floating joint module, drill pipe lubrication module, drill pipe sticking prevention system, ...

The ZT5 integrated open-air DTH drilling rig is an advanced equipment featuring an automatic rod-changing

Kongshan automatic rod changing down-the-hole drill rig

system and ergonomic cab. It integrates a DTH drilling system with a screw air ...

Key Features of the HWF135 Automatic Rod Changing Horizontal Directional Drill 1. Automatic Rod Changing System: One of the most innovative features of the HWF135 is its ...

The down the hole drilling machine is equipped with automatic unloading rod system and drill rod lubrication module, which can realize single operation and ...

> Down the Hole (DTH) Drill Rods & Drill Pipes Down the Hole (DTH) Drill Rods & Drill Pipes North Star manufactures a complete range of drill rod and drill pipes for DTH and Rotary ...
