

# Large-diameter deepwater well pneumatic drilling rig

Pneumatic Water well Drill Rig Drilling Depth: 130-400m Drilling diameter: 100-350mm Engine Power: 32-95Kw Drill pipe length: 1.5m 2.0m 3.0m With an Air ...

All series of water well drilling rigs adopt modular design and hydraulic drive technology, adapting to complex geological conditions and accurately completing shallow to deep water well ...

High quality 1000 Meters Deep Underground Pneumatic Drilling Rig For Water Well Borehole from China, China's leading product market Borehole Pneumatic Drilling Rig product, with strict ...

This rig is designed for 350-meter deep water well drilling, leveraging pneumatic technology for efficient rock penetration. Featuring high-pressure air propulsion, it suits hard geological ...

Crawler water well drilling rig MW260 self-propelled pneumatic drilling rig is suitable for industrial and civil drilling and ground temperature drilling. It has the advantages of large drilling ...

PW Series pneumatic water well drill rig is suitable for drilling civil water wells, agricultural irrigation wells, geothermal wells, precipitation wells, etc., especially for water extraction ...

This geothermal drilling rig is extensively utilized for a wide range of drilling projects due to its small structure, quick penetration, strong flexibility, and high work efficiency. DTH air ...

Drilling depth: 220m Drilling diameter: 130-254mm Engine Power: 60Kw View detail HQZ-260L Pneumatic Drill Rig Drilling depth: 260m Drilling diameter: 130-305mm Engine Power: ...

A water well drilling rig is a specialized mechanical system designed for drilling deep water wells and completing related operations such as casing installation ...

High quality ST 200 Large Pneumatic Hole Diameter Underground Powerful Water Well Borehole Drilling Rig from China, China's leading water borehole drilling equipment product, with strict ...

ST350Series deep (water) well drilling rig adopts full hydraulic control, and the overhead power head drives the drilling tool to rotate, with high drilling efficiency. The whole machine has ...

A: We mainly produce small hydraulic drilling rig, water well drilling rig, core drilling rig, engineering drilling rig, geological exploration drilling rig, etc., and we will recommend the ...

# Large-diameter deepwater well pneumatic drilling rig

ST 350 Water Well Drilling Rig Introduction The water well drilling rig machine can work on different formations, well drilling diameter up to 245mm. The drill ...

Rotary drilling rigs are among the most sought-after drilling tools in the modern-day industry, thanks to their extreme efficiency and versatility, ranging from ...

Deep Water Well Drilling Rig 750m Pneumatic 450mm Large Diameter Drilling, Find Details and Price about Well Drilling Mini Water Well Drilling Rig from Deep Water Well Drilling Rig 750m ...

Product Description: The Pneumatic Drilling Rig is a powerful and reliable 300 meters deep waterbore drilling machine. It is a wheels mounted water well borehole drill machine with a ...

The pneumatic drilling machine is a kind of fast deep water well drilling equipment using high-pressure air as the power source. It is suitable for industrial and civil drilling, geothermal ...

Introduction Hydracrat has successfully completed a significant number of large diameter boreholes and deep drilling for the water and energy markets over several decades. Our ...

Water well drilling rig is an important equipment for modern water resources development, which is used for drilling and mining of deep underground water. It combines advanced mechanical ...

The ST 350 Pneumatic Drilling Machine is designed for drilling wells, irrigation wells, ground source heating pump wells and boreholes. It excels in mountain ...

Hydracrat has successfully completed a significant number of large diameter boreholes and deep drilling for the water and energy markets over several decades. Our specialist fleet of drilling ...

A hugely successful deep water well drilling rig, the Watertec 40 has a lifting capacity of 40,000kgf, and the rig is favoured by large aid agencies, government departments and private ...

The ST-180 Pneumatic Deep Drilling Rig is engineered for high efficiency, low maintenance, and exceptional adaptability, making it ideal for hard rock wells, remote locations, and high-altitude ...

A hugely successful deep water well drilling rig, the Watertec 40 has a lifting capacity of 40,000kgf, and the rig is favoured by large aid agencies, ...

Product information 1. Vehicle mounted pneumatic water well drilling rig, which can be used for water intake drilling, geothermal drilling, irrigation drilling, and environmental protection testing ...

This is a lightweight, efficient, versatile drilling hole equipment, which borehole drilling machine is mainly

# Large-diameter deepwater well pneumatic drilling rig

applied in drilling wells, irrigation wells, geothermal wells and air holes for other ...

High quality Large Torque High Speed Pneumatic Drilling Rig For Civil Water Borehole from China, China's leading product market large torque pneumatic drilling rig product, with strict ...

Crawler water well drilling rig MW260 self-propelled pneumatic drilling rig is suitable for industrial and civil drilling and ground temperature drilling. It has ...

High quality 300m Water Well Rotary Drilling Machine Crawler Pneumatic Impact Large Diameter Deep from China, China's leading 300m water well rotary drilling machine product, with strict ...

Product Description: The Pneumatic Drilling Rig is a powerful and reliable 300 meters deep waterbore drilling machine. It is a wheels mounted water well ...

ST 200 drilling rig is a high-efficiency drilling machine designed for constructing water wells in various terrains. Powered by a pneumatic system, it offers reliable performance and is capable ...

DTH Hammer Large Hole Diameter Deep Water Pneumatic Drilling Rig ST 180 Pneumatic Drilling Rig Introduction ST 180 drilling rig can drill up to 180m, the drilling diameter is 105-180mm, the ...
