

# Large-scale high-pressure crawler down-the-hole drill rig

TAIYE rotary blasthole drilling rig is a drilling rig specially designed for large-scale quarries and open-pit mines for high-level blasting. It has extremely high production efficiency. You can ...

The crawler-mounted drilling rig is particularly designed for drilling big holes, such as blastholes and photovoltaic holes. Equipped with an enhanced gearbox and two rotation motors, the DTH ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint and can serve multiple sites. Designed for DTH blasthole drilling in mining, quarry and ...

**TECHNICALSPECIFICATION** The Sandvik D25KS is a diesel powered, propelled crawler mounted blasthole and large scale quarrying. This production complete with a high pressure ...

The Kaishan KT15 high pressure integrated drilling rig is specially designed as a high efficiency mining machine for large scale open-pit mines based on our years of experience designing ...

The KG520/KG520H down the hole drill rig is designed for large and medium-sized quarries and contractors. The drill rig features a folding frame track and ...

MWYX-430 separated DTH drilling rig has an optional maximum rotation torque of 7000N.m and is suitable for pit foundation anchor rods, root canals, and large ...

Sandvik Mining and Rock Technology has expanded its high-pressure DTH drill rig offering with a new model, the Leopard DI650i, designed for larger hole sizes. The Leopard ...

Discover the impact of Down the Hole Hammers (DTH hammers) in urban redevelopment projects. Learn how these specialized tools enable ...

Crawler Blasting Rig ZT5 Mining Blast Hole Down The Hole Drilling Rigs With Built-in Compressor ZT5 integrated open-air DTH drilling rig is an advanced ...

The YGS series down the hole drilling machine are heavy-duty crawler drilling rigs developed by YG Machinery for high-intensity geological environments, which are suitable for hard rock, ...

The crawler-mounted drilling rig is particularly designed for drilling big holes, such as blastholes and photovoltaic holes. Equipped with an enhanced gearbox ...

# Large-scale high-pressure crawler down-the-hole drill rig

TAIYE-D6-DTH Full Hydraulic Crawler Mounted Large Diameter Blast Hole Surface Down-the-Hole Drill Rig TAIYE-D6-DTH is a high-efficiency integrated ...

Find verified Mine Drilling 32m Depth Crawler Down-The-Hole (DTH) Drilling Rig suppliers and manufacturers offering competitive wholesale prices. Browse detailed specs, bulk order ...

The SWDM 255A-DTH is a full hydraulic crawler mounted drill rig, perfect for large diameter blast hole drilling in mining and quarrying. Boost your drilling efficiency now!

TECHNICAL SPECIFICATION Leopard DI650i is a diesel powered, self-contained crawler mounted intelligent down-the-hole drill rig designed for demanding high-capacity production ...

The KQZD series down-the-hole drill rig is a highly efficient and flexible open-pit crawler rock drilling device. It transmits impact energy to the drill bit through a hammer, which ...

KAISHAN High performance KT12 Kaishan DTH Diesel Crawler Down the Hole Blasting Mining Drill Rig for mine blasting hole KT12 integrated DTH drilling rig ...

Application Of DTH Drilling Machine Down the hole drill rig can drill holes in rocks above medium hard ( $f \geq 8$ ). Therefore, down-the-hole drilling machine ...

The company focuses on the development of full-hydraulic multi-function water well drilling rigs for more than 15 years, and has become a production service ...

It integrates a DTH drilling system with a screw air compression system, powered by a Yuchai six-cylinder engine. Compact in structure with excellent integrity and mobility, this rig delivers ...

MWYX series products have the characteristics of high efficiency, environmental protection, energy saving and safety automatic drill change and powerful off ...

The SWDM 178A-DTH is a full hydraulic crawler mounted drill rig, designed for large diameter blast hole drilling in mining and quarrying. Enhance your drilling ...

The KQZD-726 down-the-hole drilling rig is an efficient and flexible open-pit crawler rock drilling equipment. It transmits impact energy to the drill bit through the impactor. The drill bit rotates ...

The crawler DTH drilling rig innovatively integrates the crawler walking mechanism and the down-the-hole impactor. The crawler is made of high-strength rubber material, which can move ...

Leopard(TM) DI550 diesel-powered, down-the-hole (DTH) drill has enhanced mobility, a smaller footprint

# Large-scale high-pressure crawler down-the-hole drill rig

and can serve multiple sites. Designed for DTH ...

Introducing the Ks669 Crawler Hydraulic Down Hole Drilling Rig, a marvel in the world of mining and construction equipment. This state-of-the-art machine is meticulously engineered to ...

Leopard(TM) DI650i is an intelligent diesel-powered, self-contained, crawler-mounted down-the-hole drill rig built for demanding high-capacity production drilling applications in surface mining and ...

Request A Quote Portable DTH Drilling Rig: According to the walking mode, it can be divided into small-legged down-the-hole drilling rig machines: SKD70-100 ...

Product Features The Kaishan KT15 high pressure integrated drilling rig is specially designed as a high efficiency mining machine for large scale open-pit ...
