

Lgy diesel air compressor

What is LGY series portable screw air compressor used for?

LGY series portable screw air compressor is suitable for the applications in mining, water conservancy project, transport, shipbuilding, urban construction, energy project, military project, etc. As a professional supplier of screw air compressor, KAISHAN also provides custom products to satisfy customers' different demands. Brief parameters

What is Kaishan LGY series portable screw air compressor?

Kaishan LGY Series Electric Driven Portable Screw Air Compressor LGY series portable screw air compressor is suitable for the applications in mining, water conservancy project, transport, shipbuilding, urban construction, energy project, military project, etc.

How much power does LGY air compressor have?

Power: 70 (90)- 265 (360) KW(HP) Features 1. High reliability LGY series portable screw air compressor adopts our patented SKK and SKY head, with less components and no quick-wear spare parts. Thus this air compressor features reliable operation and long service life, offers an overhaul as long as 40,000-80,000h.

What is Kaishan diesel portable screw air compressor used for?

Kaishan diesel portable screw air compressor is widely applied in the construction territory, such as road breaking, railway, mining, water conservancy project, shipbuilding, urban construction, energy resource exploitation, military project, etc.

Is Kaishan-brand Diesel portable screw air compressor reliable?

Kaishan-Brand diesel portable screw air compressor is efficient and reliable, with complete after-sale service, from 50 horse power to 750 horse power for your selection. Meet variable working conditions and requirements.

Kaishan LGCY Diesel Portable Screw Air Compressor It is widely used in highway, railway, mining, water conservancy, shipbuilding, urban construction, ...

Discover reliable mobile air compressors ideal for mining and water applications. Zhejiang Xinyu Machinery offers energy-efficient, durable solutions backed by Kaishan's 60+ years of ...

Applications LGY mobile screw air compressor is widely applied in the industries, such as, mine, water conservancy, transportation, shipbuilding, urban construction, energy and war industry, etc.

Kaishan LGY electric driven screw compressor delivers reliable and efficient air supply. Advanced rotor design, energy-saving, long life and low costs.

Lgy diesel air compressor

Air Compressor > Stationary Air Compressor > Kaishan LG Series Screw Air Compressor The LG series, developed by Kaishan's Seattle R& D center, excels in delivering energy-efficient and ...

We offer diesel Engine Driven air Compressor 5bar air Compressor W-3/5 Low Price Mining related products, if you are interested please contact us for more information.

Kaishan LGY-5/8g High Quality Portable Diesel Screw Air Compressor 10 Bar 380V Factory Direct Gas Air Cooling PLC Mobile Feature

LGCY two-stage diesel screw type air compressor is suitable for the industries like road/railway construction, mining, water conservancy project, shipbuilding, urban construction, energy ...

High Power and Efficiency: This Kaishan Compressor High Power Lgy 5/8g portable Screw Air Compressor boasts a powerful 30kw diesel engine, providing efficient operation and reliable ...

Model NO.: LGY-18/17 Configuration: Portable Type: Screw Power Source: Diesel Specification: Portable Air Compressor Origin: Shanghai, China (Mainland)

KAISHAN'S electric & diesel powered portable screw compressor is ideal for mining and construction sites where electric power is easily available. These ...

LGCY two-stage diesel screw type air compressor is suitable for the industries like road/railway construction, mining, water conservancy project, shipbuilding, ...

Supplier Info Shanghai Donglai Air Motive Equipment Co., Ltd. [China Supplier] Contact Person : Ms. Yu Jasmine Tel : 86-021-68148248 Fax : 86-021-68148280 Supplier Homepage Contact ...

Combining with the characteristics of domestic micro-piston air compressor, make full use of its strong technical advantages, and launch a micro-screw air compressor with environmental ...

LGY Series Portable Screw Air Compressor Power: 18.5KW - 250KW Working Pressure: 0.8Mpa / 1.0MPa / 1.3MPa Free Air Delivery: 2.3 M3/min - 46 M3/min
