

# MGj 50 anchoring jet grouting drilling rig

MGJ-50 anchor bolt engineering drill is a mechanical power generation, pressure feed type engineering knot machine. The drilling rig has the characteristics of long range, fast drilling ...

MGJ-50L crawler drill rig for anchoring and jet-grouting is a type of integration of crawler, mud pump and control panel based on original MGJ-50 drill rig for anchoring and jet-grouting.

Provide jet grouting drilling rig with stronger torque for wide range of construction. Can work on various stratum layer. Convenient and easy to operate.

MGJ-50L Power head rotation crawler mounted anchor MGJ-50L crawler anchor drilling rig for anchoring and jet-grouting is a type of integration of crawler, mud pump and control panel ...

Drilling machinery, MGJ-50L anchor drilling machine for 1.APPLICATIONS. MGJ-50L crawler drill rig for anchoring and jet-grouting is a type of integration of crawler, mud pump and control ...

Crawler Anchor Drilling Rig Water Well Drilling The crawler drill rig is mainly applied to urban subway, high-rise buildings, airport, ground source heat pump and other deep foundation pit ...

MGJ-50L crawler drill rig for anchoring and jet-grouting is a type of integration of crawler, mud pump and control panel based on original MGJ-50 drill rig for anchoring and jet-grouting. It ...

MGJ-50L Crawler Type Anchor Drilling Rig With Diesel 1. General Description MGJ-50L crawler drill rig for anchoring and jet-grouting is a type of ...

MGJ-50 Anchor Drilling Rig for jet-grouting Product Introduction MGJ-50 crawler mounted anchor drilling rig is a combination of rubber crawler vehicle, mud pump, operation platform and MGJ ...

MGJ-50L Crawler Type Anchor Drilling Rig With Diesel 1. General Description MGJ-50L crawler drill rig for anchoring and jet-grouting is a type of integration of crawler, mud ...

We are a manufacturer of MGJ-50L Crawler Drill Rig For Anchoring And Jet-grouting, exporter of MGJ-50L Crawler Drill Rig For Anchoring And Jet-grouting made in China, Please get more ...

price: contact company for price Mgj 50l Crawler Anchor Photos Catalog Specifications 1 - MGJ- 50L Crawler Type Anchor Drilling Rig With Diesel 2 - Used for anchoring and jet- grouting 3 - ...

Applications: MGJ-50L crawler drill rig for anchoring and jet-grouting is a type of integration of crawler, mud

# MGj 50 anchoring jet grouting drilling rig

pump and controlpanel based on original MGJ-50 ...

Anchor drilling rig, type MGJ-50 is applicable in constructions site with limited area. It is mainly used in rock anchoring, retaining wall reinforcement, landslides prevention, rock collapsing ...

Horizontal anchor drilling rig MGJ-50 is mainly used for soil and rock anchoring, consolidating and strengthening foundation of highway and dam and retaining wall, preventing soil and rock from ...

APPLICATIONS: Mainly used for drilling water well, and soil and rock investigation and anchoring, consolidating and strengthening foundation of highway and dam and retaining wall as well, ...

1.GENERAL DESCRIPTION MGJ-50L crawler mounted drill rig for anchoring and jet-grouting is a type of integration of crawler, mud pump and control panel based on original MGJ-50 drill rig ...

Anchoring and jet grouting drill rig, type MGJ-50L is a large-scale engineering drill rig integrated with crawler track mechanism, mud pump and console. It has ...

MGJ-50LZ crawler drilling rig for anchoring and jet-grouting and earth auger drilling, is a type of integration of rotary crawler, mud pump, operation platform based on original MGJ-50 drilling ...

Drilling Machinery,Mgj-50l Anchor Drilling Machine For Grouting And Jet Grouting, Find Complete Details about Drilling Machinery,Mgj-50l Anchor Drilling Machine For Grouting And Jet ...

1.GENERAL DESCRIPTION MGJ-50L crawler mounted drill rig for anchoring and jet-grouting is a type of integration of crawler, mud pump and control panel ...

Mgj-50L Crawler Drilling Rig for Anchoring and Jet-Grouting - 2 MGJ-50L crawler drill rig for anchoring and jet-grouting is a type of integration of crawler,mud pump and control panel ...

Anchoring and jet grouting drill rig, type MGJ-50L is a large-scale engineering drill rig integrated with crawler track mechanism, mud pump and console.

Anchoring and jet grouting drill rig, type MGJ-50L is a large-scale engineering drill rig integrated with crawler track mechanism, mud pump and console. It has long spindle stroke, strong ...

Details MGJ-50 Anchor Drilling Rig for jet-grouting Drilling diameter (mm) 75-250 Drilling depth (m) 60 Drilling angle 0°-90°; Diesel engine :YANMAR22HP Power head speed (r/min) ...
