

Multi-arm rock drill drilling equipment

Discover the various types of drilling machines, from portable models to heavy-duty industrial equipment. Explore their applications, ...

Sandvik intelligent surface drill rigs bring the latest technology to surface mining applications. View our leading range of surface drilling rigs.

Epiroc's drilling rigs offer a variety of feed lengths, positioning configurations, rock drills, and optional automated features for underground production drilling and ...

Drill arm, an important actuator for drilling positioning of rock drilling trolleys, is usually a connecting rod structure composed of a propulsion beam, a drill pipe, a rock drill and multiple ...

At Global Machinery, we provide the specialized tools and equipment needed for demanding rock drilling projects. Whether you're demolishing concrete or ...

The LZG413A intelligent integrated drilling and arch trolley is a dual rock drilling and vertical arch integrated trolley that meets the needs of tunnel full-section construction and ...

Reliable, accurate and predictable drilling The new booms of the Boomer M20 S jumbo drill rig feature internal hydraulics and a hoseless design. This means ...

Discover our extensive range of rock drilling equipment designed to conquer the toughest challenges in the mining industry. From top hammer drilling tools to down-the-hole (DTH) and ...

Drill Jumbos: Precision Tools for Tunneling and Mining Drill jumbos are at the heart of modern tunneling and mining projects, revolutionizing how we drill through rock with ...

With its cutting-edge features and versatility, the John Henry JH16/170 Excavator Mounted Rock Drill is a game-changer in precision drilling. Whether it's construction, mining, geotechnical ...

Sun Machinery is the place for contractors to buy and sell rigs and vessels and related equipment. Our database contains thousands of used equipment for sale, which are presented and ...

TEI Rock Drills is the leading manufacturer of excavator drill attachments, rock drill components and limited access drill rigs. Our unique drilling platform incorporates innovative TEI drilling ...

Epiroc's Simba long-hole drilling rigs offer a variety of feed lengths, positioning configurations, rock drills,

Multi-arm rock drill drilling equipment

and optional automated features for underground ...

Discover the various types of drilling machines, from portable models to heavy-duty industrial equipment. Explore their applications, features, and benefits to find the right drilling ...

The HYCON HRD28X is a high-performing handheld rock drill designed for the most demanding drilling applications in granite and concrete up to 6 meters of drilling depth. Using standard ...

LZ313B-X three booms drilling jumbo rigs is the core equipment for drilling and blasting construction of tunnels, mines and underground projects. It is ...

It can replace the traditional pneumatic rock drilling equipment, and drill large holes and small holes simultaneously. It fully meets the requirements of blasting technology.

The projected growth trajectory of the multi-arm rock drilling jumbo market hinges on several interconnected factors. Continued urbanization and industrialization globally will necessitate ...

Raiseboring tools We are the industry leader in raise boring rock drilling tools with a rich history of providing high quality products to drill raises in rock up to 8 ...

Rilon integrated rock drill and splitter for multi-angle rock breaking operations The Rilon integrated rock drill and splitter is installed on the excavator and driven ...

PDF | On Jan 1, 2019, Hongli Wang and others published Development of Double-arm Rock Drilling Car for Full Face Tunnelling | Find, read and cite all ...

Our robust product portfolio includes drill rigs, jackhammers, underground rock drills, DTH hammers, hydraulic drifters, demolition tools, drill bits and a wide ...

1 day ago; 3. Auxiliary Operations: Pipe-roof drilling, blasthole construction, and steel arch installation; Tunnel anchor drill rigs are core equipment for safe tunnel construction. Their dual ...

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...

S36 Independent Rotation Rock Drill The S36 IR is powerful 114mm drifter type rock drill with independent controlled rotation. It is designed for deep hole ...

Multi-arm rock drill drilling equipment
