

Pakistan Yellowstone Engineering Equipment Drilling Rig

Where are drilling operations planned and executed in Pakistan?

Drilling Operations are planned and executed across the diverse landscape of Pakistan. From blocks in Middle and Lower Indus basin in South to wildcat exploratory blocks in Balochistan, from blocks in Pothohar region in Punjab to exploratory blocks in Khyber Pakhtunkhwa.

What is a rig used for?

the rig to be used for various applications: water wells, micro piles geothermal and geotechnical ... Bore and Bore (BNB) is one of the largest emerging firms in the drilling industry.

Why should you choose DRD for water well construction in Pakistan?

DRD has long and rich experience in construction of water wells, it has been instrumental in raising the standards of water well installation and construction in Pakistan. DRD has large clientele all over the country. DRD has constructed around 500 water wells, Injection wells (Oil & Gas sector) and Dewatering wells for mining projects.

How has drilling operations at PPL changed over the last year?

Drilling Operations at PPL have seen remarkable improvement in terms of drilling efficiency and well costs during the last couple of years. Several performance records and new benchmarks have been set in all areas of Pakistan.

How many drilling rigs does PPL own?

Drilling Operations currently operates seven onshore drilling rigs consisting two PPL-owned 725-HP and 500-HP rigs and five contractors' rigs, including one 2500-HP, three 2000-HP and one 1500-HP. Drilling Operations also remains in close coordination for operational contribution to other operators where PPL has working interests.

How efficient is PPL drilling operations?

The efficiency in drilling operations reflects PPL strategy to deliver its objective of creating a more profitable and safe upstream business. Drilling Operations currently operates seven onshore drilling rigs consisting two PPL-owned 725-HP and 500-HP rigs and five contractors' rigs, including one 2500-HP, three 2000-HP and one 1500-HP.

Deep Rock Drilling (Pvt.) Limited (DRDPL) has accomplished the task of "Geotechnical Investigation for Open-Pit Lignite Mine at Block-II" Thar Coalfield, Sindh, Pakistan for China ...

The drilling services include drilling & completion, drilling technological service and drilling instrument manufacturing, etc. And the petroleum engineering technological series are ...

Pakistan Yellowstone Engineering Equipment Drilling Rig

Buy drilling rigs. Low prices for power engineering, fuel, mining. Order drilling rigs now. Delivery geological survey and drilling equipment to all regions Pakistan Allbiz

The energy industry relies on efficient extraction. Selecting the correct rig is paramount, as it influences both productivity and profitability. ...

Discover the latest advancements in modern drilling equipment and explore their diverse applications across various industries. Learn how ...

our services Our professional engineers have years of proven experience in analyzing, designing, and manufacturing drilling structures and equipment. Veristic offers a wide range of services to ...

Acker AD-II Drilling Rig - for Sale 1500HP Drilling Rig for Sale 1400HP Oilwell 840E Drilling Rig - For Sale CME 55 Drilling Rig - For Sale Tension Machines for Cable / Wire / Rope - For Rent ...

The onshore drilling and workover operations and engineering and technical services provided by the Company include directional drilling, horizontal drilling, cementing, coring, under-balanced ...

We have the expertise to deliver the turn-key projects and/or the engineering services you desire. Jelec delivers, whether it is comprehensive engineering solutions for a new drilling facility, ...

Drilling and Completion Engineering Due to aggressive exploration and development of hydrocarbons by Pakistan Petroleum Limited (PPL) has been ...

Trans Petroleum International is a global leader in the energy sector, excelling in the exploration, production, and distribution of petroleum. As an authorized ...

Hilong has undertaken horizontal development in drilling, exploitation and transportaion of oil and natural gas, as well as vertical development via industrial chains, and established five core ...

Explore the different types of drilling rigs from the oil and gas industry and understand how each one is built for specific depths, locations, ...

Massenza - Model MI55 E - Drilling Rig Powerful and innovative drilling rig. Perfect for water wells, mineral researches, geothermal applications and coring at great depths. Thanks to its pull up ...

Does anyone know if the orange drilling rig off the north entrance road is for the sliding-soils study, for the new road engineering? It was parked off the road about 2/3rds of the way up to Mammoth.

Pakistan Yellowstone Engineering Equipment Drilling Rig

Owing to the recent successes in exploration, Pakistan Petroleum Limited (PPL) is geared towards an aggressive work programme which has opened up new ...

A comprehensive range of drilling services based on efficient equipment and highly qualified engineering personnel allows us to provide customers with high quality performance.

Discover high-quality drilling solutions with Sinocoredrill, a leading China manufacturer of drilling rig equipment and accessories. Our extensive range ...

Oil field Drilling Equipment synergy specializes in the supply of a range of premium quality drilling Equipment, components and accessories. We supply technically advanced API Equipment for ...

Drillmec is an international leader in manufacturing and distribution of drilling rigs for onshore and offshore applications as well and of drilling ...

SAF Drilling & Engineering Company Delivering cutting-edge solutions to meet your toughest challenges. Our commitment to safety, sustainability, and ...

As a leading rig equipment OEM and service partner, they offer comprehensive drilling rig solutions, aftermarket service support, and facilities engineering. ...

Find the top drilling rig suppliers & manufacturers from a list including Lone Star Drills. a Little Beaver Company, Acker Drill Company Inc & AMS, Inc.

Drilling rigs serve as the backbone of various industries, from oil and gas exploration to geothermal energy extraction. However, the efficiency and safety of drilling ...

Hydraulic drilling rigs, drilling accessories, know-how and service for civil engineering and geothermal applications Hütte Bohrtechnik is a global leader ...
