

Photovoltaic excavator down-the-hole drill rig

The KG500GF photovoltaic down-the-hole drilling vehicle is a product specially designed for photovoltaic foundation pile holes. It is equipped with an 86KW engine, a high-efficiency desert ...

The advanced photovoltaic down-the-hole drill rig completely changes the traditional mining mode through photovoltaic direct drive technology, combined with pneumatic motors and intelligent ...

MWGF150 multi-functional crawler drilling rig is a multi-purpose drilling rig integrating photovoltaic piling, foundation piling, blasting hole drilling, and down-the-hole drilling adopts a ...

The photovoltaic drilling rig provides efficient piling operations for the construction of photovoltaic power plants. The down - the - hole drilling rig excels in hard - rock drilling.

Assemble an excavator and convert it into a drilling rig in five days, let us see the effect. Great tunnel hydraulic drill, I will use it again next time

Rotary drilling rig Sep 24, 2024 · 116 views 01:41 The excavator is modified into a down-the-hole drill, which is... Sep 24, 2024 · 258 views See more ?

It features a new type of single-strand high-strength crawler chain plate and an excavator walking motor, providing advantages such as strong climbing ability, durability, and long service life. ...

HFPV-1M Photovoltaic Solar Pile Drilling Rig Also known as (solar drilling rig, Photovoltaic Pile Rig), using new type of hydraulic technology, convenient for ...

The photovoltaic drilling rig provides efficient piling operations for the construction of photovoltaic power plants. The down - the - hole drilling rig excels in hard - rock drilling. The excavator - ...

Photovoltaic down hole drilling rig, track type multifunctional spiral drilling excavator, track chassis walking, You can get more details about Photovoltaic down hole drilling rig, track type ...

T4 VELSON rigs, masts, hammers, and drill pipes use industry-standard connections, ensuring easy integration with any existing OEM excavators. Our equipment and product experts ...

It is suitable for hard rock blasting construction and static mining operations such as mining, tunnel construction, municipal engineering, ...

Photovoltaic excavator down-the-hole drill rig

HFPV-1M Photovoltaic Solar Pile Drilling Rig Also known as (solar drilling rig, Photovoltaic Pile Rig), using new type of hydraulic technology, convenient for hole transfer. The drilling machine ...
