

Pneumatic 260 water well drilling rig

Small Household Drilling Pneumatic ST260 Water Well Drilling Rig Brief introduction of ST-260 Water Well Drilling Rig ST180 series deep (water) well-drilling rig uses full hydraulic control, ...

Portable diesel hydraulic drilling rig with 260m depth capacity, crawler mounted for all-terrain use. Ideal for water wells, mining, and resource exploration.

Customizable ST 260 pneumatic drilling rig with 260m depth capacity, 105-260mm hole diameter, and 24T lifting power. Ideal for rock, mud & sand conditions.

It is widely applied in water well, irrigation well or other boreholes, especially good for mountain areas or rock foundations. The drilling rig adopts new hydraulic technology, supporting high ...

Compact ST260 pneumatic drilling rig for water wells, 260m depth capacity, diesel-powered with 1-year warranty. Ideal for household and small-scale drilling projects.

Hydraulic 260m crawler drilling rig for water wells, mines & geothermal. Diesel-powered, 1-year warranty, high efficiency in tough terrains.

Explore Our Products Drillrigy is an industry-leading manufacturer specializing in pneumatic water well drilling technology. With a strong focus on pneumatic water well drilling, we offer high ...

High quality Large Pneumatic Blasting 260 Meters Deep Borehole Water Well Drilling Rig With Air Compressor and BW 250 Mud Pump from China, China's leading 260 Meters Water Well ...

Applications: Shitan ST 260 Pneumatic Drilling Rig is a blast pneumatic large drill equipment with a model number of ST 260 and a place of origin of Jinzhou, Hebei Province. This rig features a ...

HQZ pneumatic water well drilling rig is a lightweight, efficient and multifunctional drilling equipment is suitable for industrial, civil drilling and geothermal drilling projects.

This is a lightweight, efficient, versatile drilling hole equipment, which borehole drilling machine is mainly applied in drilling wells, irrigation wells, geothermal wells and air holes for other ...

Shitan is a renowned brand in the drilling industry, offering a great variety of high quality drilling machines, such as the ST 260 pneumatic water well drilling rig machine. It is designed to meet ...

China Large Pneumatic Blasting 260 Meters Deep Borehole Water Well Drilling Rig With, Find details about

Pneumatic 260 water well drilling rig

China Water Well Drilling Rig from Large Pneumatic Blasting 260 Meters Deep ...

The ST 260 Pneumatic Drilling Rig is a durable, mobile solution for deep borewell drilling applications. Designed for water well drilling with a capacity of 260 meters depth and 100 ...

YGQZ-260 Water Well Drilling Rig Features: 1. The rig chassis is equipped with a professional walking motor featuring a reduction gearbox, ensuring a longer service life. 2. The integrated ...

Crawler water well drilling rig MW260 self-propelled pneumatic drilling rig is suitable for industrial and civil drilling and ground temperature drilling. It has ...

The water well drilling rig machine can work on different formations, well drilling diameter up to 245mm. This is mainly applied in drilling wells, irrigation wells, geothermal wells and air holes ...

260 Meters Pneumatic Drilling Rig Crawler Mounted Water Well Machine Tunnel Mr. Zhu is worth to be trust, he has a good team, they provide us good service and reliable quality cable.

ST260 series water well drilling rig is a lightweight, efficient and multifunctional drilling equipment, The water well drilling rig is mainly applicable to industrial and civil drilling, geothermal drilling, ...

Industrial-grade pneumatic drilling rig with 260m depth capacity, Yuchai diesel engine, and hydraulic rotary system. Ideal for rocky formations, geothermal ...

HQZ 260 pneumatic water well drilling rig is a lightweight, efficient and multifunctional drilling equipment. Suitable for industrial, civil drilling and geothermal drilling projects. The main ...

Drilling depth: 260m Drilling diameter: 130-305mm Engine Power: 76/77.3Kw Tel / WhatsApp: 8613625377838 Request a Quote Hengwang Pneumatic Drilling Rig Series HQZ pneumatic ...

Heng wang water well drilling rig is an integrated drilling equipment by combining tractor and pneumatic water well drilling rig, which is easy to walk and combined the air compressor.

Compact 380V hydraulic crawler drill rig for geological & water well drilling. 200m depth, 76kw power, ISO9001 certified with 1-year warranty.

FY300 DTH bore water well drilling rig machine is well used to drill 300m depth, drilling diameter 350mm. Mainly for deep water well drilling, construction drilling in solid underground formation.

Industrial-grade ST 260 water well drilling rig with 260m depth capacity, hydraulic propulsion, and 24-month warranty. Ideal for rock, mud & sand conditions.

Pneumatic 260 water well drilling rig

ST-260 drilling rig is especially suitable for water intake in mountainous and rocky strata. Pneumatic water well drilling machine should be used together with air compressor, it ...
