

ROC L6 open-pit down-the-hole drill rig

ATLAS COPCO ROC-L6 The Atlas Copco ROC-L6 is a high production blast hole / anchoring rig. This is a rotary rig with onboard air capable of delivering 300L/s at 25bar. The 9.4m long mast ...

Epiroc is a one of the leading drill rig manufacturers in the world. We offer rock drilling machines and other equipment for many different applications. For ...

The PowerROC D60 is a hydraulic down-the-hole drill rig designed for mining and quarrying, capable of drilling holes with diameters ranging from 110 to 178 mm. It features a robust design ...

The FlexiROC D65 is a versatile surface drill rig designed for quarrying and mining, capable of drilling holes with diameters ranging from 110 to 203 mm. It offers high efficiency and ...

Surface drill rigs are used for blast hole drilling in construction, quarrying, and open-pit mining, covering a hole range between 27-229 mm. We offer the ...

Drilling rate is independent of the hole length, which allows long-hole drilling to be carried out in underground mines. It is also possible to drill larger diameter (to 350 mm) holes ...

ROC L6 25 & ROC L6 30 are high-capacity down-the-hole crawler drills primarily designed for quarry blast hole drilling in virtually all types of rock formations for aggregate production and ...

MWYX-420 separated DTH drilling rig is equipped with a dual-motor rotary head and a rotary speed-adjustable multi-way valve. The rotary torque can be ...

"We are proud to be part of the first PV Solar Projects in South Africa and have successfully completed projects across the country as well as in Lesotho," says BMI Drilling's Managing ...

This video we took ourselves is showing you the down the hole drilling method in a quarry in Germany. The drill rig is an Atlas Copco ROC L6-44 with on board...

The ROC L6 (25) and L6 (30) are high-capacity down-the-hole drill crawlers for quarry drilling. They are powered by CAT diesel engines and Atlas Copco screw compressors, delivering ...

Atlas Copco Hydraulic drill rigs ROC L6,}Shanghai Souair International Trade Co.,Ltd. /Shanghai Souair Industrial Co.,Ltd. is the leading air compressor ...

PowerROC D55, a reliable down-the-hole drill rig, is equipped with a range of Epiroc down-the-hole hammers

ROC L6 open-pit down-the-hole drill rig

for high performance. Proven Epiroc technology provides this rig with high ...

Surface drill rigs are used for blast hole drilling in construction, quarrying, and open-pit mining, covering a hole range between 27-229 mm. We offer the widest range of surface drilling ...

Drilling Rig Spare Parts For Atlas Copco Material Name: Floating Head 4350265006 Material Number: 4350.2650.06 or 4350 2650 06 or 4350-2650-06 Suitable Brands and Machines: ...

Atlas Copco Surface Drill Rig ROC L6 The Down-the-hole drill rig for soft, medium and hard rock formations in quarries with high productivity demands ROC L6 and ROC L6H Standard ...

The integrated open-pit down-the-hole drilling vehicle is an advanced drilling equipment that integrates the down-the-hole drilling system and the screw air ...

Discover the impact of Down the Hole Hammers (DTH hammers) in urban redevelopment projects. Learn how these specialized tools enable ...

Power and productivity ROC L625 and L630 are high-capacity down-the-hole crawler drills primarily designed for quarry blast hole drilling in virtually all types of rock formations for ...

MWYX-420 separated DTH drilling rig is equipped with a dual-motor rotary head and a rotary speed-adjustable multi-way valve. The rotary torque can be 2200N.m, which meets the needs ...

The less homogeneous the rock formation, the harder it is to drill straight blastholes and keep your productivity at top level. The ROC 460PC DTH crawler gives you the solution by ...

Atlas Copco Surface drill rigs ROC L825 and L830 Technical specification The total drilling solution for large-scale mining and quarry production o Productivity and flexibility beyond ...

The most productive drill available for rotary tricone and down the hole drilling of 171mm to 270mm (6-3/4" to 10-5/8 ") holes with up to 59 ft (18 m) clean hole single pass capability.

Atlas Copco Surface Drill Rig ROC L6 The Down-the-hole drill rig for soft, medium and hard rock formations in quarries with high productivity demands . o ..,.,.4· ...

Atlas Copco Surface drill rigs ROC L625 and L630 Technical specification Master of quarry blast hole drilling o Productivity beyond conventional rigs using DTH ...

ROC L6 open-pit down-the-hole drill rig
