

Red Five Rings brand mobile screw air compressor

Who makes screw air compressors?

As one of the largest professional manufacturers of screw air compressors, they are experts in the research, development, production, and sales of air compressors and related products. In 2017, they became part of the Hitachi Group of Japan, further solidifying their position in the industry. 1. Atlas Copco Country: Sweden Founded: 1873

How to choose an air compressor manufacturer?

An air compressor is a device used to compress gases. It shares a similar construction with water pumps. Most air compressors are of the reciprocating piston type, rotary vane, or rotary screw variety. When selecting an air compressor manufacturer, the brand's market position and product diversity should be the primary considerations.

What are the top air compressor manufacturers?

The top air compressor manufacturers include Ingersoll Rand, Atlas Copco, Gardner Denver, Sullair, Kaeser Kompressoren, Hitachi, and Mitsubishi Heavy Industries (MHI). These companies are globally recognized for their high-quality products, innovative technologies, and comprehensive services.

What certifications does red five ring have?

The Group has obtained the ISO 9001:2008 quality management system certification and the ISO 14001:2004 environmental management system certification. The Group aims to build the Red Five Ring brand into a world-famous brand and has set a development goal of becoming a "100-year-old enterprise" and a 10-billion enterprise.

What types of air compressors does CompAir offer?

As a global leader in compressed air solutions, CompAir offers a variety of equipment types, including micro oil screw air compressors, oil-free screw air compressors, centrifuges, water-lubricated air compressors, sliding vane air compressors, mobile air compressors, scroll air compressors, and more.

Who makes Sullair air compressors?

About the company: Founded in 1965 in the United States, Sullair is the world's largest professional manufacturer of screw air compressors. The company specializes in the research and development, production, and sales of air compressors and related products. In 2017, Sullair became a part of the Hitachi Group of Japan.
