

Pressure accumulator for hydraulic rock drill, maintenance instructions 3.9 Mounting the pressure accumulator on the rock drill Note! The positions of the ...

Sandvik RD927L is a hydraulic top hammer rock drill designed for Surface tophammer rigs. It is capable of drilling 89 - 140 mm holes up to 36 meters in depth. Optimal hole range is from 89 ...

Typical application is foundation drilling, road cutting, trenching, bolting, line drilling in dimensional stone quarries and other special drilling applications with Sandvik DC120 rigs. Rock drill with low ...

TECHNICAL SPECIFICATION Sandvik HL300 hydraulic rock drill is designed for long-hole production drilling on surface and rock bolting in hard rock bolting in underground hard rock ...

We produce the highest quality alternative spare parts in the world for Epiroc, Atlas Copco, Sandvik, Furukawa, Mine Master, Komatsu, Montabert, Soosan, Junjin, CAT etc. all drill rig ...

Along with the major components, we can get you drill pipe, shock subs, stabilizers, swivels, rock drill oil, compressor oil, drilling fluids, filters, ...

Sandvik RD315 is a compact, robust and universal hydraulic percussive rock drill. It is known for its hydraulic efficiency and high penetration rate. Sandvik RD315 has excellent serviceability ...

TECHNICAL SPECIFICATION Sandvik RD106 hydraulic rock drill is designed for a maximum recommended hole diameter of 45 mm. Typical applications are foundation drilling, road ...

Float Valve Installation - These float valves are easy to install. Simply lubricate the side seal rubbers and slide the float valve into the cavity of the recess of the float sub or drilled out drill ...

TECHNICAL SPECIFICATION Sandvik HL710 hydraulic rock drill is designed for long hole drilling of 64 - 115 mm diameter holes. It is used in Sandvik underground production and surface drill ...

Sandvik OS series is a heavy-duty TH shank lubrication and DTH hammer oil of very high quality. The product is made of solvent-refined paraffin base oil and special additives, which counteract ...

Rock Drill - Free download as PDF File (.pdf), Text File (.txt) or read online for free. The document is a service card and operation manual for the RD520/RD525 rock drill, detailing service ...

Canadian manufacturer of pneumatic mining equipment, percussive rock drills, diamond coring drills, drill

Rock drill oil filling valve

feed assemblies, control panels, lubricators, and accessories

A drill pipe float valve, also recognized as a non-return valve, is a specialized valve installed in the bottom hole assembly (BHA) and its primary ...

SUPERDRILL Inline Rock Drill Oiler - a high-efficiency oil injection system for pneumatic rock drills and air legs. With automatic lubrication, transparent oil chamber options, and multi-drill ...

The AutoFill Casing Fill-Up and Circulating System saves time and enhances rig safety and well control during drilling operations by allowing the operator to fill, circulate, and recover fluid ...

ROCK DRILLS TOOL MAINTENANCE & REPAIR INFORMATION FIELD OPERATION Before: Fill the oil reservoir with proper oil (Air Tool oil or 10W grade equivalent for 9 lb. and 15 lb. class ...

They are based on a blend of highly refined mineral oils and selected additives chosen for their ability to maintain high oil film strength and effectively lubricate the demanding requirements of ...

Sandvik HLX5 is a compact, robust and universal hydraulic percussive rock drill. It is known for its hydraulic efficiency and high penetration rate. Sandvik HLX5 has excellent serviceability ...

This removes the requirement for filling the drill pipe from the top, saving time. Similar to the Model G, the valve fully opens when the drill string is raised, ...

Phillips 66 Rock Drill Oil is an adhesive, extreme-pressure (EP) lubricant specially developed for the lubrication of air-powered tools such as rock drills, jackhammers, pavement breakers and ...

TECHNICAL SPECIFICATION Sandvik HL650 hydraulic rock drill is designed for drilling 64- 102 mm diameter holes. Sandvik HL650 is used in Sandvik surface drill rigs. Sandvik HL650 is a ...

The document provides instructions for maintaining a hydraulic rock drill. It describes how to take a new rock drill into use, including pressurizing accumulators and performing a test run. It also ...

RDX5 rock drill is known for its exceptional durability. The robustness is achieved by less pressurized seams and simple design with only two moving parts. The design of the rock drill ...

The HL710S hydraulic rock drill is designed to ensure high drilling capacity, easy maintenance and low operating cost. The construction of the rock drill is based on the main body modules ...

TECHNICAL SPECIFICATION Sandvik HL510 S/F hydraulic rock drill is designed for face, bolt and long hole drilling. Sandvik HL 510S is used in DL Series long hole drilling rigs.

Rock drill oil filling valve
