

Rock drill yt-24

The rock drill machine is a kind of high efficiency Hand hole or air leg support rock drill machinery. It is mainly used for blasting holes and other drilling works in a ...

YT24 Air Leg Rock Drill Machine YT24 air leg rock drill is a high efficiency rock drilling machine. It widely used in rock drilling blasting holes, it's very important to coal mine, railway traffic, water ...

YT24 is a kind of heavy and powerful rock drilling machinery with low air consumption. Mainly used in construction sites, various types of mines, railways, water conservancy construction ...

We manufacture and supply YT24 Pneumatic rock drill at a factory competitive price with features: 1. high quality materials, 2. scientific forging, 3. heat ...

The YT24 air-leg rock drill is widely used in mine tunnel excavation and various engineering projects including metallurgy, coal mining, railway construction, transportation, water ...

YT24 Air-leg Rock Drill can be used in mine, water conservancy, quarrying, highway traffic and nation defence engineering services. It is used for blast hole drilling in the middle and hard ...

Quality Air-leg Rock Drills manufacturers & exporter - buy Yt24 Horizontal Pneumatic Airleg Rock Drill Machine from China manufacturer.

The YT24 rock drill mainly uses compressed air as a power source to drive the piston to reciprocate and break the rock through impact and rotational force. The piston drives ...

Air Leg Rock Drill biasa disebut YT Series Rock Drill. Itu selalu bekerja dengan kaki udara dukungan, dapat digunakan untuk setiap sudut pengeboran. Ini terutama digunakan di ...

Discover the robust, versatile YT24 rock drill featuring advanced ergonomic design, superior durability, and exceptional performance for professional drilling applications in mining and ...

China Chisel Mining Machinery Langfang Limited For many years, we have been committed to providing you with various services China Chisel Mining, Pneumatic hammer, Pneumatic rock ...

Maxdrill's YT24 air leg rock drills are particularly designed for hole blasting in small or medium-sized mines and wet drilling horizontally or at a tilting angle.

This rock drill has a wide application range and is mostly applicable to drilling horizontal or inclined blast

Rock drill yt-24

holes on medium-hard or hard (f=8-18) rocks, with the drilling depth of 5m.

Experience unmatched power and precision with durable yt 24 pneumatic air leg rock drill rig designed for effortless drilling. Ideal for professionals seeking efficiency and reliability.

Find professional yt24 pneumatic rock drill for mining manufacturers and suppliers here. We're offering high quality yt24 pneumatic rock drill for mining with ...

YT24 air leg type rock drill is our country relatively early finalize the design product, it and the same type rock drill comparison: the mass is light, the noise is small, the efficiency is high, the ...

High quality Lightweight and Durable YT24 Rock Drilling Machine with Air Leg from China, China's leading product market YT24 Air Leg Rock Drilling Machine product, with strict quality control ...

Application: YT24 Air-leg Rock drills is an ideal tools for drilling blast-holes operations small and medium-sized quarries, mines. Combined with B22 drill rod and drill bit, select drill bits based ...

Item description from the seller Handheld Rock Drill YT-24 Rock Drill Drilling Rig Mountain Opening Drilling Body weight:24kg Length of body:604mm Cylinder diameter:70mm ...

All of the rock drills have water flushing, rifle bar rotation and the pusher leg control is placed at the back head of the rock drill. An in-line lubricator is ...

Description YT24 pusher leg rock drill, an important tool for rock drilling operations in mines, railway, communication and water conservancy projects, etc., is most suitable for making ...

Perforadora neumática YT24 para minería; a Air Leg Rock Drill usualmente llamamos YT Series Rock Drill. Siempre funciona con soporte de pata de aire, ...

The rock drill tools (YT-24) is delivered by our company is of high quality. 1. YT24 Pneumatic Rock Drill, Air leg Rock Drill, YT24 rock drill is suitable for drill level or gradient holes in ...

Product Overview The Kaishan Rock Drill YT-24 is a powerful and versatile pneumatic tool designed for heavy-duty drilling applications in the mining, construction, and quarrying ...

The hand hold rock drill is used for rock drilling, blasting holes and other drilling works in the quarries, small coal mines and other constructions. It's suitable ...

The YT rock drill has a wide range of applications and is suitable for drilling horizontal and inclined blastholes on medium-hard or hard (f=8~18~) rocks, ...

Rock drill yt-24

YT24 air leg rock drill is a high efficiency rock drilling machine. It widely used in rock drilling blasting holes, it's very important to coal mine, railway traffic, ...
