

Russian crawler down-the-hole drill rig sales

What is a crawler down-the-hole drill machine?

The crawler down-the-hole drill machine is currently a large-scale rock drilling equipment in general use. The down-the-hole drill rigs are actually rotary percussion drill equipment. The impactor is directly submerged into the bottom of the hole to drill the rock.

Who makes the best DTH drilling rigs?

As one of the most professional DTH drilling rig manufacturers, YG Machinery has developed and produced a series of down-the-hole drilling rigs of different models. And almost all have become hot-selling models. In addition, our down-the-hole drilling rigs are sold to many countries and regions in the world.

What is a down-the-hole drill rig?

The rock drilling principle of a down-the-hole drill machine is the same as a heavy-duty rock drill rig. The difference is that the impact mechanism of the down-the-hole drill - is a down-the-hole impactor. It is installed at the front end of the drill rod, and at the bottom of the manhole.

What is a YGL drill rig?

YGL type low-pressure crawler DTH drilling machine: left and right walking pressure: 13~14MPa, advancing pressure 10~11MPa, rotation pressure 8~9MPa. YGM type medium-pressure down-the-hole drill rig: left and right walking pressure: 17~18MPa, advancing pressure 12~16MPa, rotation pressure 10~14MPa.

What is the pressure of YGL drill rigs?

The pressure of all the company's drill rigs has been set before leaving the factory: YGL type low-pressure crawler DTH drilling machine: left and right walking pressure: 13~14MPa, advancing pressure 10~11MPa, rotation pressure 8~9MPa.

What is the operating mechanism of a drilling machine?

The operating mechanism controls various actions. In addition, the supporting mechanism can be a bracket or a drill carriage. The rock powder formed during the drilling process is discharged out of the hole by the gas or water flowing between the drill pipe and the hole wall.

Discover how the right down-the-hole (DTH) drill rig can boost your mining and construction efficiency. Learn about rig types, key features, and ...

2023.03.03 New series of Down The Hole Drill "DCR L130-F5" for the U.S. and Europe launched 2023.03.03 New series of Hydraulic Crawler Drill "HCR L100-E3" for emerging countries ...

Russian crawler down-the-hole drill rig sales

Pantera(TM) DP1600i is an intelligent, diesel-powered, self-propelled, crawler-based surface top hammer drill rig with a comfortable cabin and rod-changer. ...

The DTH drilling rig (down-the-hole drilling machine) is a kind of drilling machine, which is mainly used for drilling in rock formations. The down-the-hole drilling ...

The open-pit crawler DTH drilling rig is a kind of rock drill. It is a new type of self-propelled rock drilling equipment carefully designed according to the ...

Down-the-Hole (DTH) Drill Rigs: Common in Russia's mining sector for deep drilling applications requiring precision and power. Top Hammer Drill Rigs: Preferred in Russia's quarrying and ...

YG150 down the hole drilling machine, large aperture, deep drilling, convenient movement and high efficiency. Click to get free quote now.

The KT11 integrated surface DTH drilling rig utilizes a single Cummins three-cylinder diesel engine with dual-end output, simultaneously driving both the screw compression system and ...

Power head can be mechanically / hydraulically shifted. Suitable for various drilling methods such as down-the-hole hammer, heel pipe, full casing and alloy rotation. The drilling rig is equipped ...

XDH-180 Crawler Mounted DTH Drill Rigs Manufacturers Brief Introduction The XDH-180 series crawler open-pit down-the-hole drill rig is a new type of down-the-hole drill ...

The crawler down-the-hole drill machine is currently a large-scale rock drilling equipment in general use. The down-the-hole drill rigs are actually rotary ...

YG Machinery has successfully exported the YG-200 Crawler Water Well Drilling Rig to Russia, a machine designed for efficient drilling up to 200 meters. This rig is particularly ...

Epiroc offers the most comprehensive line of rotary blast hole drilling rigs in the industry. With a multitude of configurations to choose from you can find the ...

HFGA-44 Affordable Mining Blasting Hole Drill/Crawler Down the Hole Hammer Drill Rig for Sale Compact size but powerful drilling capability. Applicable in surface quarry mining and varieties ...

The crawler DTH drilling rig innovatively integrates the crawler walking mechanism and the down-the-hole impactor. The crawler is made of high-strength rubber material, which can move ...

We're professional down the hole hammer drill rigs for mining (mines) manufacturers and suppliers in China,

Russian crawler down-the-hole drill rig sales

specialized in providing high quality products and service. We warmly ...

Sun Machinery is the place for contractors to buy and sell rigs and vessels and related equipment. Our database contains thousands of used equipment for sale, which are presented and ...

Sandvik Leopard(TM) DI650i is an intelligent diesel-powered, self-contained, crawler-mounted down-the-hole drill rig built for demanding high-capacity production drilling applications in surface ...

Application of Hot Selling in Russia KT11 Crawler Mining Jumbo Down The Hole Drill Rig For Open Use KAISHAN drilling rig for mine and quarry works well in open-pit mines, quarry, ...

The DM45/50 rotary blasthole drill rig along with their big brother, the DML, are some of the most popular drills in the world for good reason. All three models ...

Drilling type core drilling Applications blasthole Mobility crawler Drilling unit down-the-hole Engine model Caterpillar Sector construction, for mining Drilling ...

An integrated down the hole drilling machine, also known as a one-piece drill rig, or crawler DTH drilling rig is a powerful and versatile machine used in the ...

RH560 Down-the-hole hammers RH560 DTH hammer is a robust, reliable addition to surface mining and long-haul production drilling operations. It increases speed and lowers drilling cost ...

Smith Capital Equipment has been manufacturing Auger and DTH drill rigs for over 4 decades and our products include auger and down-the-hole rigs. ...

Sandvik Leopard DI650i S5 Leopard DI650 is a diesel powered, self-contained crawler mounted intelligent down-the-hole drill rig designed for demanding high-capacity production drilling ...

Auger Drill Rigs: Used in Russia's environmental and geotechnical drilling for soil analysis and foundation testing. Down-the-Hole (DTH) Drill Rigs: Common in Russia's mining sector for ...

Used drilling rigs for sale across Australia including geotechnical, blasthole, underground, multipurpose, and RC rigs. Licensed broker and experienced ...

Search for 2023 best down-the-hole drilling rig, DTH drilling rig for sale in YG Machinery manufacturer with factory price. Click here now!

Basic Setting The pressure of all the company's drill rigs has been set before leaving the factory: YGL type low-pressure crawler DTH drilling machine: left ...

Russian crawler down-the-hole drill rig sales

Drilling type core drilling Applications blasthole Mobility crawler Drilling unit down-the-hole Engine model Caterpillar Sector construction, for mining Drilling diameter Min.: 99 mm (4 in) Max.: 165 ...
